Death Of Hope:

Jubilee of Hope Archbishop Rino Fisichella, 2024-11-07 Hope the theme for the Jubilee of 2025 opens the door to a certain evangelical realism There is today a great need for hope because this new culture we live in causes people to experience fear anxiety and uncertainty This can lead to feelings of desperation if people are not properly supported Humanity needs to hear a message that restores the certainty of true hope Jubilee of Hope is an invitation to be strong in a faith that supports hope Christian hope does not deceive or disappoint because it is grounded in the certainty that nothing and no one may ever separate us from God's love To live the Jubilee year well we must delve deeper into the virtue of hope and foster hope for the pastoral renewal of our communities

Hope as Atmosphere Xu Wang, 2022-07-11 In this thesis the phenomenon of fundamental hope is understood as atmosphere As a metaphor hope as atmosphere finds a new expression of hope other than the light metaphor that dominates the discourse of hope Hope is not only the light that illuminates the dark moments of life but also more fundamentally in the air it lies in the sphere in between and saturates each life experience and every living moment As an existential reality hope as atmosphere reveals our hopeful way of atmospheric co existence Communal love constitutes the ground of this hopeful co existence it keeps the hopeful co existence constantly refreshed and open guaranteeing more possibilities of hope On the basis of communal love hopeful co existence shows its ontological meaning as a way towards life The thesis of hope as atmosphere finds resonance and expression not only in Christian trinitarianly based understanding of hope but also in the most central doctrine of co humanity in Confucianism
