Death To Remember:

Remember Your Death: Memento Mori Lenten Devotional Theresa Aletheia Noble, 2019-01-21 When Theresa Aletheia Noble FSP began keeping a ceramic skull on her desk and tweeting about it she had no idea she'd be starting a movement Her daily tweets about memento mori Latin for remember your death contained quotes and insights that have inspired others to remember death daily Many have found this ancient practice to provide an important perspective on their lives in view of Jesus call to repentance conversion and the hope of resurrection And now Sr Theresa Aletheia's series of tweets has led to a memento mori inspired Lenten devotional Each day contains a reflection written by Sr Theresa Aletheia based on the liturgy of the day for all of Lent Holy Week and Easter The devotional also includes a memento mori examen or review of the day a daily moment of intercessory prayer and daily reflections on death from the tradition including the Church Fathers and many of the saints Prompts are provided for journaling that can be used along with the Remember Your Death Memento Mori Journal also available from Pauline Books Lent is a time when we remember the death of Christ and the sacrifice he made to give us eternal life This devotional will help you to meditate on your own mortality and the incredible gift of salvation in preparation for Easter Whether you get a skull for your desk a memento mori journal or a Lenten devotional it is vitally important to the Christian life to remember the fragility of your life on earth because one day you will die

The Christian's Defence Against the Fears of Death Charles Drelincourt, 1712 God and Hamilton Kevin Cloud, 2018-06-07 Discover Spiritual Truths from the Smash Broadway Hit Hamilton that Will Transform Your Life Hamilton the hip hop musical about a forgotten Founding Father is the most compelling musical of our time But if you watch it without understanding the spiritual themes of Alexander Hamilton's life you only get half the story Discover how Hamilton is a modern day parable that will lead you into a deeper experience of God's grace Help you battle guilt and shame Challenge you to forgive Inspire your faith Engage you in the struggle for human equality God and Hamilton impressively weaves together insights from the musical itself the lives of Alexander and Eliza Hamilton and the story of Scripture into a tapestry that challenges people of faith to reexamine their lives God and Hamilton turned me inside out and revealed a side of Hamilton I had never thought to explore LAUREN BOYD HAMILTON BROADWAY CAST A wonderful example of drawing from contemporary culture to understand how God works I cannot recommend it more highly MIKE BREEN A bold and creative exploration of the themes in life that matter most In this beautiful book Kevin Cloud helps us see listen and open to the all consuming love God pours out to us PHILEEN HEUERTZ For all who struggle with doubt depression and despair God and Hamilton offers an inspiring way forward Kevin Cloud's book made my heart sing CRAIG DETWEILER In this book Kevin

portrays a wonderful example of how you can draw from contemporary culture to understand how God works with us on our own heroic journeys I found his emphasis on God's grace and faithfulness particularly inspiring and think that all who read it will come away with a better understanding of the challenges we all face I cannot recommend it more highly Mike Breen Founder of 3DM Author of Building a Discipling Culture Covenant and Kingdom and Family on Mission A bold and creative exploration of the themes in life that matter most If we have the eyes to see and the ears to hear we will notice God everywhere In this beautiful book Cloud helps us see listen and open to the all consuming love God pours out to us Phileena Heuertz author of Pilgrimage of a Soul Contemplative Spirituality for the Active Life and founding partner Gravity a Center for Contemplative Activism How did Alexander Hamilton overcome a tragic and shame filled childhood Kevin Cloud celebrates the amazing grace that propelled Hamilton to become a key architect of our fledgling democracy For all who struggle with doubt depression and despair God and Hamilton offers an inspiring way forward Kevin Cloud's book made my heart sing Craig Detweiler President The Seattle School of Theology and Psychology C S Lewis once lamented that people too often fail to appreciate the real and serious glory of even the most dull and uninteresting human life that if we could ever truly glimpse the beauty of a normal everyday person's story we might actually be tempted to worship them In God and Hamilton Kevin Cloud offers precisely this kind of appreciative glimpse into the life of Alexander Hamilton These pastoral reflections upon a life that was anything but dull and uninteresting are sure to inspire Read this book and catch a new imagination for what it means to be human Tim Suttle pastor and author of Shrink Faithful Ministry in a Church Growth Culture A Note from the Author I will never forget the moment I saw Lin Manuel Miranda's Hamilton An American Musical on Broadway I walked out of the Richard Rogers Theatre that night knowing that I had seen a ground breaking and brilliant Broadway musical I also knew that Hamilton somehow become for me a deeply spiritual experience I soon discovered that I was not the only one I read so many reviews and watched so many interviews where people spoke of Hamilton as a life changing experience Rosie O'Donnell even went so far as to call it medicine that I need for my soul It is vital to me it feels like going to church In writing this book I have come to see Hamilton as a story that will transform our lives A story that teaches us about grace shame forgiveness and despair A story that invites us into the struggle for equality and challenges us to partner with God in his ultimate goal of bringing redemption to His creation I pray that this story which intersects insights from the musical the lives of Alexander and Eliza Hamilton and the story of Scripture might transform your life as well

House of Commons,1876 Preparation for Death St. Alphonsus Liguori,2010 Meditation on death though it seems depressing to many is essential for our Salvation Death is the one journey every man must go through

alone It is the one thing that sobers us all and can set us on a more resolute path to Holiness But this path only begins after facing the reality of death for to avoid it only increases our fear In this popular abridgment of his monumental Preparation for Death St Alphonsus teaches us the proper attitude toward death which is one of readiness of always having our debts cleared Each chapter is a short consideration with three points easily understood by laity in all states of life Each point is followed by meditations and prayers for perseverance in our efforts to lead good lives To aid busy priests in their sermons St Alphonsus purposely included texts from Scripture and passages from the Holy Fathers personally selected by the Saint himself to touch the heart of every reader and listener St Alphonsus shows us how death is on the natural level a great sorrow but on the supernatural level a great gift Understanding it as a gift and implementing this knowledge in our lives is the lesson of each powerful meditation This book is a wonderful way to enhance your Lenten devotions and gain a more profound gratitude for Christ s victory over Death and Hell through His crucifixion and Resurrection Death, Memory and Material Culture

Elizabeth Hallam, Jenny Hockey, 2020-05-26 How do the living maintain ongoing relationships with the dead in Western societies How have the residual belongings of the dead been used to evoke memories Why has the body and its material environment remained so important in memory making Objects images practices and places remind us of the deaths of others and of our own mortality At the time of death embodied persons disappear from view their relationships with others come under threat and their influence may cease Emotionally socially politically much is at stake at the time of death In this context memories and memory making can be highly charged and often provide the dead with a social presence amongst the living Memories of the dead are a bulwark against the terror of forgetting as well as an inescapable outcome of a life s ending Objects in attics gardens museums streets and cemeteries can tell us much about the processes of remembering This unusual and absorbing book develops perspectives in anthropology and cultural history to reveal the importance of material objects in experiences of grief mourning and memorializing Far from being invisible the authors show how past generations dead friends and lovers remain manifest through well worn garments letters photographs flowers residual drops of perfume funerary sculpture Tracing the rituals gestures and materials that have been used to shape and preserve memories of personal loss Hallam and Hockey show how material culture provides the deceased with a powerful presence within the here and now
