Death And Religion In A Changing World:

Death and Religion in a Changing World Kathleen Garces-Foley, 2014-12-18 This comprehensive study of the intersection of death and religion offers a unique look at how religious people approach death in the twenty first century Previous scholarship has largely focused on traditional beliefs and paid little attention to how religious traditions evolve in relation to their changing social context Employing a sociological approach *Death and Religion in a Changing World* describes how people from a wide variety of faiths draw on and adapt traditional beliefs and practices as they deal with death in modern societies The book includes coverage of newly emerging social and religious phenomena that are only just beginning to be analyzed by religion scholars such as public shrines the role of the media spiritual bereavement groups and the use of the Internet in death practices

Death and Religion in a Changing World Kathleen Garces-Foley, 2006 Looking at how religious people approach death in the twenty first century this is a comprehensive study of the intersection of death and religion It describes how people from a variety of faiths draw on and adapt traditional beliefs and practices as they deal with death in modern societies

Death and Religion in a Changing World Kathleen Garces-Foley, 2022-06-01 *Death and Religion in a Changing World* is a comprehensive and accessible study of the intersection of death and religion examining how everyday people enact religious responses to death in the twenty first century With contributions from leading religious studies scholars this book moves away from the field's focus on traditional beliefs to explore how religious traditions evolve in relation to their changing social contexts Employing an ethnographic approach *Death and Religion in a Changing World* further details how people from a wide variety of religious traditions and people without religious affiliation draw on and adapt religious practices as they respond to death in modern societies Every chapter in this second edition has been thoroughly updated and new chapters on the ethical issues of dying including life prolonging medical treatments palliative care physician assisted suicide and euthanasia and the modern hospice movement have been added This book also covers emerging social and religious phenomena such as public shrines the Covid 19 pandemic funeral celebrants death with dignity spiritual bereavement groups and online funeral practices This cutting edge work is essential reading for students and scholars of religion who are approaching the subjects of death and religion and ritual studies

Death, Dying, and Bereavement in a Changing World Alan Kemp, 2018-11-02 In this introductory text on thanatology Alan Kemp continues to take on the central question of mortality the centrality of death coupled with the denial of death in the human experience Drawing from the work of Ernest Becker *Death Dying and Bereavement in a Changing World* provides a multidisciplinary and multidimensional approach to the study of death putting extra emphasis on the how death takes place in a rapidly changing world This new second edition includes the most up to date research data and figures related to death and dying New research on the alternative death movement natural disaster related deaths and cannabis as a form of treatment for life threatening illnesses and updated research on physician assisted suicide as well as on grief as it relates to the DSM 5 have
