Death Cap:

The Fungus Kingdom Rebecca Steffo, 2008 Enormous underground mushrooms and microscopic molds belong to an immensely varied group of organisms that occupy a unique branch in the tree of life The Fungus Kingdom traces the history of this half billion year old kingdom and explores its diversity as well as its complex reproductive methods The Fungus Kingdom also examines the effects of fungi on human life which are both helpful and harmful From poisonous mushrooms and disease causing spores to life saving penicillin and the yeasts used in making food and drinks fungi are woven into the fabric of life in important and sometimes unexpected ways Book jacket

A Colour Atlas of Poisonous Fungi Andreas Bresinsky, 1990-02-26 This important timely publication is a photographic guide which facilitates recognition of poisonous fungi and treatment methods The authors of this full color atlas maintain that the best protection against poisoning by fungi is a detailed knowledge of the fungi themselves The recent surge of interest in collecting fungi makes this thorough and beautiful illustrated synthesis of current knowledge of their dangers especially timely It includes information on the culinary preparation of fungi and how to deal with cases of poisoning It presents in detail fungal taxonomy chemistry pharmacology toxicology and medicine The information assists readers in understanding the toxic substances present in each case the degree of toxicity of each fungus and likely effects on the victim This informative volume is important for accident and emergency doctors and nurses general practitioners and physicians pharmacologists pharmacists toxicologists poison control center personnel and biologists

Electra Alfred V. Cafiero, 2014-06-24 Electra is a utopian type city and the envy of every city in the U S Its citizens enjoyed the benefits of good government and therefore lulled into complacency by its many amenities believing the good life would last forever without their participation in civic affairs and henceforth neglected their right to vote Their indifference to the political process left the door ajar for the criminal element to establish a foothold in city government Gradually the tentacles of corruption penetrated every office of city government This once great city is now degenerated into one of crime and vice with the establishment of gambling prostitution and drugs This story centers on two wealthy individuals who decided on restoring the city to its former greatness by combining their resources influence and expertise in a resourceful dangerous and questionable plan Alvin Cain came from humble origins and through his intelligence and fearless nature he became a wealthy man and the architect of a daring plan to restore Electra to respectability John Winthrop Hamilton III was born into wealth a philanthropist and the moral guide of the two men he had to be convinced that Alvin

Cains method was the only viable plan that could succeed Although daring dangerous and unethical the plan was adopted
