The Walkaway Scott Phillips,2021-06-08 Noir master Scott Phillips s The Walkaway explores the far reaching consequences of the deception and violence of its predecessor The Ice Harvest Summer 1989 Gunther Fahnstiel once a tough cop who wasn t averse to taking a little side money from a certain madam has just escaped the dementia ward of his Wichita nursing home He s not exactly sure where he wants to go but wherever it is it has to do with the bag full of cash belonging to the man he accidentally backed over with his RV in 1979 During his search Gunther begins to relive the violent fallout of that madam s sex lottery forty years ago As Gunther s memories unravel his past and present will collide in a devastating reckoning This dark comedy at once prequel and sequel to Phillips s award winning debut The Ice Harvest proves that no walkaway can escape unscathed Death on a Winter Stroll Francine Mathews,2022-11-01 No nonsense Nantucket detective Merry Folger grapples with the aftermath of the COVID 19 pandemic and two murders as the island is overtaken by Hollywood stars and DC suits Nantucket Police Chief Meredith Folger is acutely conscious of the stress COVID 19 has placed on the community she loves Although the island has proved a refuge for many during the pandemic the cost to Nantucket has

been high Merry hopes that the Christmas Stroll one of Nantucket's favorite traditions in which Main Street is transformed into a winter wonderland will lift the island's spirits But the arrival of a large scale TV production and the Secretary of State and her family complicates matters significantly The TV shoot is plagued with problems from within as a shady power hungry producer clashes with strong willed actors Across Nantucket the Secretary's troubled stepson keeps shaking off his security detail to visit a dilapidated house near conservation land where an intriguing recluse guards secrets of her own With all parties overly conscious of spending too much time in the public eye and secrets swirling around both camps it is difficult to parse what behavior is suspicious or not until the bodies turn up Now it's up to Merry and Detective Howie Seitz to find a connection between two seemingly unconnected murders and catch the killer But when everyone has a motive and half of the suspects are politicians and actors how can Merry and Howie tell fact from fiction This latest installment in critically acclaimed author Francine Mathews's Merry Folger series is an immersive escape to festive Nantucket a poignant exploration of grief as a result of parental absence and a delicious new mystery to keep you guessing [Why We Die](#) Mick Herron,2009-04-01 From the author of Slow Horses and soon to be an Original Series from Apple TV starring Emma Thompson and Ruth Wilson The road to hell is paved with all sorts of intentions as Oxford private investigator Zo Boehm discovers when a straightforward jewelry store robbery turns out to be anything but When Zo Boehm agrees to track down the gang who knocked over Sweeney's jewelry shop she's just hoping to break even in time for tax season She certainly doesn't expect to wind up in a coffin But she's about to become entangled with a strange collection of characters starting with suicidal Tim Whitby who's dedicating what's left of his life to protecting the pretty battered Katrina Blake from her late husband's sociopathic brothers Arkle and Trent Unfortunately for Zo Arkle has a crossbow Tim has nothing left to lose and even Katrina has her secrets And death like taxes can't be avoided forever **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and

easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Sleuths in Skirts** Frances A. DellaCava, Madeline H. Engel, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality **Winter Grave** Helene Tursten, 2020-11-03 In this thrilling mystery set in rural Sweden Detective Inspector Embla Nyström must solve a murder case and find two missing children before the small town takes matters into their own hands When a little girl disappears a few weeks before Christmas suspicion falls on the last person she was seen with the teenage loner who gave her a ride home after school Complicating the matter is the fact that detectives can hardly get a word out of him When a second child disappears and a police officer is found dead tensions in the small town of Strömstad reach an all time high Meanwhile 28 year old Detective Inspector Embla Nyström has just returned to work and is still recovering from her recent brush with a killer which left her unable to get back in the ring to defend her title of Nordic light welterweight champion As she hunts for the missing children Embla can't help but think of the case that has been haunting her for years the disappearance of her childhood best friend Could the incidents be linked With the passing of each dark winter day the odds of finding the children alive shrink and desperation mounts Their parents want answers and will stop at nothing to get them **Great Women Mystery Writers** Elizabeth A.
