Death Of A Hit Man:

Death of a Hitman Richard T. Weese,2019-03-17 What happens when an assassin takes aim at the girlfriend of a cold blooded killer Roger s blood heats up as he takes out everything and everyone standing in the way of tracking down the assassin and the coward who hired him While Erica fights for her life Roger weaves his way through the New Jersey mafia to the seedy underbelly of Washington DC politics leaving a trail of broken lives and lifeless bodies Roger s characteristic level headed demeanour becomes clouded by his obsession for revenge Will Roger s blinding vengeance be the death of him A Study Guide for T.C. Boyle's "The Hit Man" Gale, Cengage,2018-09-13 A Study Guide for T C Boyle s The Hit Man excerpted from Gale s acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs The Hitman: Dirty Rotters Sean McKenzie,2014-10-26 I wasn t always a killer I saw life just as easily as the next gullible na ve kid looking at a rainbow with hope filled eyes I was just another average guy living just another average life I did what was right and never understood why anyone would choose to do differently Then my fianc was kidnapped and murdered I quickly saw life without blindfolds The kid inside me that still clung to dreams had to run and hide as there was no place for him anymore Not with what I had in mind Not with what had to be done I buried my conscience teetering on losing my soul and stepped into the vengeful role of a killer I became a hitman A hero to some An angel to others I am Michael Lynch and this is my story This is where it all began *Sudden Fiction* Robert Shapard,James Thomas,1986 Presents over seventy short stories five pages long or less by such American authors as Joyce Carol Oates Ray Bradbury Langston Hughes and Raymond Carver and includes authors commentary on the genre **The Father's Will** Nicholas E. Lombardo,2013-11-28 The night before his crucifixion in the garden of Gethsemane Jesus asks his Father to take away the cup of his suffering but then says not my will but yours be done Shortly afterward Judas arrives and his arrival reveals something important about the Father s will Yet much remains obscure The sheer fact of Christ s crucifixion shows only that God was not willing to spare his Son It does not shed any light on the positive content of the Father s will Drawing on philosophical analysis and historical critical exegesis The Father s Will sets out to clarify the Father s will for Christ and how it relates to his death on the cross Then after considering the theologies of Anselm and Peter Abelard it argues for the recovery of the early Christian category of ransom Since Christians look to the crucifixion to make sense of their suffering the Father s will for Christ relates to many existential questions it also shapes the place of God the Father in Christian theology and culture Interpreting the crucifixion as a ransom makes the goodness of God more evident It also makes it easier to see God the Father as the author of our salvation rather than a stern judge who must be placated And since the category of ransom traces back to Jesus saying in the Gospels about giving his life as a ransom for many it has great claim to interpret the crucifixion in the way Jesus himself interpreted it Law and Order - Goodfellas Jamie
