## Death Wishes:

*My Last Wishes...* Joy Meredith, 2007-01-09 If you're like most people you've probably wondered what will happen after you're gone. What will you wear to your funeral? What will your obituary say? Will the people in your life know that you loved them? Formatted like a journal and intermingled with charmingly helpful tips and witty expert advice, *My Last Wishes* provides you with the chance to leave behind the answers to these questions and many more. It's the ultimate gift to give yourself and your loved ones. What's more, filling it out inspires you to treasure your life today and look forward to the life you have yet to live.

**The Death Wish in the Hebrew Bible** Hanne Løland Levinson, 2021-09-23 This book investigates the texts in the Hebrew Bible in which a character expresses a wish to die.

[The Patient's Wish to Die](#) Christoph Rehmann-Sutter, Heike Gudat, Kathrin Ohnsorge, 2015-06-04 Wish to die statements are becoming a frequent phenomenon in terminally ill patients. Those confronted by these statements need to understand the complexity of such wishes so they can respond competently and compassionately to the requests. If misunderstood, the statements can be taken at face value and the practitioner may not recognize that a patient is in fact experiencing ambivalent feelings at the end of life or they may misinterpret the expressed wish to die as a sign of clinical depression. Public debate about the morality and ethics of various end-of-life care options has exploded in recent years. However, it has never been sensitive to the finer aspects of clinical reality or the experiences of patients. *The Patient's Wish to Die: Research, Ethics, and Palliative Care* brings together that reality and the patient's voice, combining them with different research approaches. It presents the best available knowledge and research methodologies about patients' wishes at the end of life, together with a series of ethical views and a discussion about the clinical implications for palliative care. The book presents material in an open and unbiased manner, whilst remaining sensitive to the spiritual and existential dimensions of dying and to the different cultural views that provide meaning to the individual. Written by the best specialists and ethics scholars from around the world, including palliative care practitioners and end-of-life scholars from countries where assisted dying practices are legalized and from those where it isn't, *The Patient's Wish to Die: Research, Ethics, and Palliative Care* will prove essential reading for all those working or studying in the field of palliative care.

[Final Wishes](#) Crystal Smith, 2015-10-24 *Final Wishes* is an instructional guide that will outline how to leave your final wishes, how to prepare your family, how to pick the correct policy, how to make the transition easier, and how to be prepared for the unexpected deaths of children. This book is also for business owners to leave a plan for their business. There is a workbook inside and a place for the reader to leave a personal note to their loved one or the person who is going to use this guide. This book is for every living person and it should be read, completed, and stored in a safe place for a family member or the designated responsible party. It will provide peace of mind to the reader in an unfortunate time. It relieves them from having to make decisions that may not be understood by family, close friends, or business associates. Having this tool allows them to simply follow the final wishes step by step, and the burden of a life-ending decision is not on their personal shoulder. The Author

hopes to provide hope and peace to every person who uses it and those who have to carry out the wishes outlined in the book It is highly recommended that this book be shared with family friends and co workers This tool will be useful for insurance agents and help them to sell insurance policies Funeral Homes may benefit and find and increases in Pre Arrangement sales and other services To contact the Author visit [www.iamcrystalbodiesmith.com](http://www.iamcrystalbodiesmith.com) or email Crystal Bodie Smith at [shoutcrystal@gmail.com](mailto:shoutcrystal@gmail.com) Thank You Sincerely Crystal keephopealive *Pure Lands in Asian Texts and Contexts* Georgios T.

Halkias, Richard K. Payne, 2019-03-31 This diverse anthology of original Buddhist texts in translation provides a historical and conceptual framework that will transform contemporary scholarship on Pure Land Buddhism and instigate its recognition as an essential field of Buddhist studies Traditional and contemporary primary sources carefully selected from Buddhist cultures across historical geopolitical and literary boundaries are organized by genre rather than chronologically geographically or by religious lineage a novel juxtaposition that reveals their wider importance in fresh contexts Together these fundamental texts from different Asian traditions expertly translated by eminent and up and coming scholars illustrate that the Buddhism of pure lands is not just an East Asian cult or a marginal type of Buddhism but a pan Asian and deeply entrenched religious phenomenon The volume is organized into six parts Ritual Practices Contemplative Visualizations Doctrinal Expositions Life Writing and Poetry Ethical and Aesthetic Explications and Worlds beyond Sukhavat Each part is introduced and summarized and each translated piece is prefaced by its translator to supply historical and sectarian context as well as insight into the significance of the work Common and less common issues of practice doctrine and intra religious transfer are explored and deeper understandings of the meaning of pure lands are gained through the study of the celestial cosmological internal and earthly pure lands associated with various buddhas bodhisattvas and devotional figures The introduction by the volume editors ties the diverse themes of the book together and provides a historical background to Pure Land Buddhist studies Scholars of Buddhism and Asian religion including graduate and post graduate students as well as Buddhist practitioners will appreciate the range of translated materials and accompanied discussions made accessible in one essential collection the first of its kind to center on the formerly neglected topic of Buddhist pure lands **My Final Wishes Organizer** Shannon
