Death Without Honor:

Living by the Sword Eric Demski, 2014-06-30 The quintessential image of the hero for GOD the Knight half warrior and half saint stands for everything good strong and honorable in the human spirit This book contains twenty five years of research on true knighthood the refined and essential virtues elements techniques and strategies to wage successful war against Evil Taken from the lives stories and advice of warriors saints monks priests and pious people these strategies show specifically and very concretely how to be a knight and hero The book explains How does a knight use purity to make himself stronger in physical as well as mental and spiritual combat How does a knight find a state of Grace How does a knight develop his moral courage and his ability to sacrifice Why meekness and humility is the root of true strength How great courage is directly derived from fear of GOD How sacrifice and asceticism can be used to defeat demons How Faith can be developed and improved The techniques of Sir Ramon Lull Rodrigo De Bivar Charles Martel Sir Miguel Cervantes and saints such as Ignatius Louis Francis Augustine Aquinas and many more Every question is answered Only one thing remains May GOD grant us HIS Grace

Revelations in Master Dominion Olabisi Kufeji, 2007-07 I have always had many questions but no one seems able to provide me with convincing answers For example is God really the creator Is there life after death Why is there so much sorrow in the world Does God speak From finding God in 2004 I discovered he speaks and from my conversations with him as detailed in this book I am convinced God is truth his kingdom is real and he is the only one that can reveal all answers to us as the master in all dominion realms I urge you to read his answers to my questions and see if you will agree with me

Charles Sumner; His Complete Works Charles Sumner,1900 **Fight to the Finish** Thomas D. Logie,2012-01-04 Why the title Fight to the Finish It would be more pleasant and more popular to write of love and peace than of spiritual warfare Indeed inner love and peace is a part of the Christian life and eventually we will enjoy everlasting love and peace But there is war ahead before there will be peace In September 1938 Prime Minister Chamberlain of England claimed that he had negotiated with Hitler Peace in our time Winston Churchill warned of war around the corner Who was right The majority of Israel in Isaiah s day had a similar aversion to unpleasant truths He was told Do not prophesy to us right things speak to us smooth things Isaiah 30 10 But I cant do that and be faithful to God at the same time I have a responsibility to God and to my readers to tell biblical truth with as little distortion as possible although I know that there will be some distortion because I still have a sinful nature and a limited mind Going back to my first book I bear the responsibility of a watchman portrayed in Ezekiel 3 and 33 in contemporary language a sentry to sound a warning The direct preliminary steps to the final battles may have already begun we can only pinpoint exactly how each piece of the puzzle fits into God s perfect plan in hindsight But the final war between Jesus Christ and Satan is coming and it is reasonable to believe that many who now breathe on this earth will participate in that final fight on one side or the other This time the consequences cannot be reversed So I plead with all believers to strap on your spiritual armor of Ephesians 6 10-18 and train while there is still some measure of peace I pray that this book will help you study the scriptures on your own and become practiced in studying the Sword of the Spirit Dont take my word for everything that I say search the scriptures and see for yourselves
