The Aaronic Blessing Jeanette McKenzie, 2025-08-03 EXPLORE THE BENEFITS OF THE AARONIC BLESSING Different from any other prayer in the Bible is The Aaronic Blessing also known as The Priestly Blessing It is a prayer specified only for the Levitical Priesthood to bless in the name of the Lord Spoken directly from the mouth of God when used correctly the words of this prayer have the power to change the tides of your life and those around you The author touched a core in my heart with the subject matter of this book Being in the ministry for many years The Aaronic Blessing is not only one that we have prayed over people time and time again but one that we have put to song I was interested in how she would present this material and what she would have to say about it I was not disappointed The first aspect I liked was Ms McKenzie beginning her work with words from her heart as she shared experiences of her youth and her family To me this brought a warmth to the read and I felt comfortable in settling into it I have read countless books written by countless religious teachers that were Biblically filled with knowledge but lacked the personal touch that mankind needs in these troubled times The author does a wonderful job through her writing in not talking down to the reader but encouraging them to continue on in anticipation that the knowledge they would obtain would truly be a blessing The author breaks down The Aaronic Blessing teaching on each aspect of it in detail She ends her work with a short lesson on the Levitical Priesthood how the prayer originated and the symbolic message it has for us Christians today I truly enjoyed how she explained the meaning of the word blessing in Hebrew and I felt her knowledge of the subject matter was exceptional I truly enjoyed this book and believe it will bless others Shirley Johnson Mid West Book Review Senior Reviewer A PRAYER FOR GOD S CHOSEN NATION OF PRIESTS TO BLESS AND BE BLESSED Jeanette McKenzie is the author of Higher Order Thinking Skills for Spiritual Abundance and The Getting It Right Series Growing to Maturity in Christ She is a born again evangelist educator and musician She has a B A degree in Education a M A degree in Early Childhood Education and an Education Specialist degree in Administration Supervision She resides in Georgia

A Commentary on the Holy Scriptures Johann Peter Lange,1884 [Psalms of Christ](#) Daniel H. Fletcher,2018-05-10 The book of Psalms is a treasure trove of teaching about Jesus Christ While the church has traditionally recognized only about fifteen psalms as messianic anticipating God s promised Messiah the issue is how Christians should understand the other 135 psalms of the Hebrew Psalter *Psalms of Christ* applies the New Testament conviction that the whole book of Psalms speaks prophetically about Christ to select non messianic psalms Following the New Testament as the guide for how to read the Old in light of the gospel *Psalms of Christ* proposes fresh readings of so called non messianic psalms by illustrating their christological character and exploring how they testify to the gospel by evoking Jesus s person purpose and passion
