Abc Christmas:

Abc'S of Christmas Prayers Bobby Bland,2015-03-31 My memories of Christmas were just as fond Both of my parents were from South Arkansas several hours away so our immediate family would have our Christmas early on Christmas Eve morning then we would load up the station wagon and drive to Hot Springs and Malvern that day to see our family We had a Christmas Eve get together every year at my aunts house in Malvern that night and it seemed like there were hundreds of people there although there were probably only forty to fifty There was Christmas music presents food and lots of fun The family holiday tour didnt stop thereafter the Christmas Eve party we would then drive to Fordyce about an hour away and stay with my grandmother Maxine We would usually roll into town about one in the morning but she was ready for us armed with an amazing coconut cake I will never forget The taste and texture of the delicious cake is a pleasant part of my Christmas memory We had another Christmas event the next morning at her house in another part of small town America It was all a whirlwind of events but a tradition that I cherished Although there was lots of family throughout my childhood memories of Christmas there was one thing that was not a part of the family ritualsI dont recall the story of Christ being present in our home at Christmas Debbie and I made a concerted effort to make sure our three children understood and treasured the story of Jesus's birth and ultimate death as part of their Christmas memories The story of Christmas is a true love storythe love that God shared with all of us God sent his Son to be born and walk among us in order that we may have life abundant We should never miss that part of Christmas as well I hope this book helps bring that tradition to your family in some small way We hope this book will help you create those Christmas memories as well
