Commander of the Faithful John W. Kiser,2010-09-28 This biography and military history of Islamic resistance to the French occupation of Algeria lends valuable insight into current US Muslim relations **The Compassionate Warrior** Elsa Marston,2013-05-16 A brilliant military strategist superb horseman statesman philosopher Muslim saint Emir Abdel Kader 1808 1883 was an international celebrity in his own time known for his generosity and kindness even towards enemies Today he is recognized as one of the noblest leaders of the 19th century and a pioneer in interfaith dialogue This fascinating biography of the heroic Arab who led the resistance to the French conquest of Algeria endured betrayal and imprisonment and in 1860 in Syria saved thousands of innocent people from mob violence brings a vital message for our times Emir Abd El-Kader Ahmed Bouyerdene,2012-12-16 On the 23rd december 1847 after more than fifteen years of struggle the emir Abd el Kader puts an end to the jih d and surrenders to the french army He signs a reddition treaty with the general de Lamorici re that will be ratified by the duke of Aumale This treaty stipulates a transfer to the Orient that however never will be respected by the french government The emir together with about hundred of his companions will remain emprisoned in France First placed at Fort Lamalgue in Toulon from january to april 1848 the algerians prisoners are transferred afterwards to the Ch teau Henri IV in Pau from may to november 1848 and finally to the Ch teau of Amboise from november 1848 to december 1852 During this hard trial the emir would not renounce his principles nor his will to be exiled to the Orient And even though the majority of the public opinion is opposed to liberation the public debate turns around the legality or illegality of maintained captivity The destiny given to the former ennemy constitutes nevertheless a State affair that the political crisis touching France at that very moment relegates to the second plan Some french and foreign voices come up to claim the liberation of the emir Charles Eynard a genevan and protestant citizen engages closer contact with the algerian chief and adopts his cause He is more particularly the creator of an abdelkaderian committee of liberating the illustrious captive On the 16th october 1852 on his way back from a electoral tour the futur emperor himself goes to Amboise to announce his liberation to the emir Passing briefly over in Paris and Lyon Abd el Kader and about fifty of his companions embark for Turkey on the 21st december **A Muslim Hero** A. Book A Book by Me,Firash Ututalum,2015-09-21 Emir Abd el Kader was born on September 6 1808 near Mascara Algeria His family would have been considered as being in the highest social class of that society Algeria was part of the Turkish Empire Abd el Kader grew into a refined man who lived a simple life He was considered religious and had a brilliant mind In 1825 he set out with his father on a religious pilgrimage to Mecca which is the birthplace of the Prophet Muhammad There he met with leaders in the Muslim faith and discussed various topics These experiences molded this young Muslim leader and prepared him for his future He returned to his homeland just before the French arrived A year later Abd el Kader s father was asked to lead a campaign against the French At a meeting in the autumn of 1832 the young son was elected Emir translated prince or Commander of the Faithful This is an Arabic word a title

for someone in high office A brilliant politician Emir Abd el Kader was successful in uniting the tribes in the region and establishing security His status was elevated in the eyes of the Arabs and the French There was a period of peace interrupted by times of battles The Emir played down his political power He repeatedly declined the invitation to carry the title of sultan and instead concentrated on his spiritual authority One aspect that helped him lead his nation was the ability to find and use good talent regardless of a person s faith He employed and trusted advice from both Christians and Jews When the peace with France ended Abd el Kader s warriors were effective at using guerrilla warfare for ten years Throughout 1842 they had many victories but truces with the French did not last The Emir was noted for his chivalry and once released French captives simply because he did not have enough food to feed them Throughout this time he showed great political and military leadership so the struggle was in his favor But in 1842 the French armies increased their mobility and brutally suppressed the native population The Emir lost control and crossed the border into Morocco for safety Eventually the Emir took up residence in Bursa which today is Turkey and moved to Damascus He devoted himself to theology philosophy and becoming a published author In July of 1860 there was a conflict that spread to Damascus local Druze Muslims attacked the Christian quarters killing over 3 000 innocent people The Emir sheltered large numbers of Christians in his own house These included the heads of several foreign consulates as well as the Sisters of Mercy Emir Abd el Kader s own sons were sent into the streets to offer shelter to Christians Many survivors gave testimony later that his offering of protection was instrumental in saving their lives Reports about Syria stressed the importance of the role of Abd el Kader International recognition began when the French government increased his pension and gave him the Grand Cross of the Legion d honneur He also received the Grand Cross of the Redeemer from Greece the Order of the Medjidie First Class from Turkey and the Order of Pius IX from the Vatican President Abraham Lincoln sent him a pair of inlaid pistols from the United States These pistols are now on display in an Algiers museum Great Britain sent the Emir a gold inlaid shotgun The Emir Abd el Kader inspired admiration not only from within Algeria but from Europeans as well even while fighting against the French forces The generous concern the tender sympathy he showed to his prisoners of war was almost without parallel in the annals of war and he was careful to show respect for the private religion of any captives The town of Elkader in Iowa is named for the man the New York Times hailed as one of the few great men of the century The Emir Abd el Kader died on May 26 1883 in Damascus Syria

A Muslim Hero Firash Ututalum,2019-06-18 The Emir Abd el Kader was a very rare man in history He was a Muslim hero a warrior for righteousness a defender of his people and a protector of the weak including his enemies His brave actions saved thousands of Christian lives winning him the admiration of many including President Abraham Lincoln May this righteous man s story inspire young readers everywhere Young author Firash Ututalum from the Philippines has written this important story for young readers It was beautifully illustrated by Hannah Wieckhorst *Algeria; Official Standard Names Approved by the United States Board on Geographic Names* United States.
