**Aberdeen High Jinks** Steven C Stoker,2002-09-10 More fun from the author of Aberdeen Stories Growing Up Right in Small town America When he entered high school he was unsure of himself looking for romance broke unemployed and had no direction in life no goals whatsoever Read and enjoy the sometimes joyous sometimes sad but always poignant look at the teenage antics of a student trying desperately to overcome his own insipid existence Experience again the humorous and questionable recollections of high school through the eyes of a teenage boy in a small Idaho farming community Share his wretchedness and despair as he endures unrequited love contact sports failing grades ever changing music departments and an ongoing battle with his own mediocrity Watch him emerge onto the world stage after four long years of high school and a year of college He was unsure of himself looking for romance broke unemployed and had no direction in life no goals whatsoever

**Aberdeen's Golden Era** Kevin Stirling,2024-09-30 Aberdeen s Golden Era The Sir Alex Ferguson Years is an in depth look at the most successful period in Aberdeen FC history a footballing success story like no other From 1978 to 1986 under the management of Ferguson the club not only dominated Scottish football but two European titles in 1983 made them a household name throughout the continent Ten major trophies in seven seasons brought unprecedented success to a club that had previously amassed half of that total from 75 years in existence The arrival of a young driven manager honed in the tough streets of Glasgow allied with an up and coming Aberdeen side was a recipe for success The city of Aberdeen was just beginning to enjoy the affluence that came from a bustling oil industry The club reflected that success in a way that had never been seen before or since Aberdeen as a club had huge untapped potential but it needed the right manager to take things forward Alex Ferguson was that man

*You May Think Life Stinks But It Could Be Verse* Steven Stoker,2003-05-29 Look through any neighborhood pick out any random country farmhouse search through any military barracks screen any school enrollment sheet and you can find them closet poets They scribble their innermost thoughts down in notebooks on envelopes even on napkins and then stash them away in secret places Why Because those sentiments are a part of them a part they want to recall later whenever they feel the need to relive those treasured moments recapture the emotions and savor those extraordinary experiences again Such poetry runs the gamut from horrendous to brilliant but that does not matter The quality of the work is unimportant What is important is that someone out there has chosen the written word to create a literary painting that tries to capture a moment in time and space to save it for posterity *You May Think Life Stinks But It Could Be Verse* is a collection of one man s meandering psyche It contains a lot of chaff but an occasional precious kernel of wheat can be found that can be useful in nourishing the reader s psyche as well Read enjoy and let the critics do the analysis
