Deadly Vision:

Minum Barreng Tess Ryan, Tim Senior, 2022-12-01 Things happen during the life course to make vision loss increase and many of these reasons can be traced to a lack of care a lack of access to care and the impact of colonisation Minum Barreng The Story of the Indigenous Eye Health Unit shines a light on the determined team who have worked with Aboriginal and Torres Strait Islander peoples since 2008 to prove that Australia has the will the means and the moral obligation to close the gap in this serious health inequity This is a story of vision in both senses of the word and of strength and opportunity

The Phantom Island Ashish Badole, 2024-11-19 In a modern world filled with technology and constant noise we often overlook the existence of places that still challenge the human mind where desires carry significance beyond our comprehension The Phantom Island is more than just a myth it serves as a cautionary narrative reminding us of the ramifications of our most profound desires This tale delves into the depths of darkness where unmet aspirations transform into terrifying visions and the distinction between reality and fantasy becomes blurred This book encourages you to venture beyond the boundaries of the known world to a location that defies logic yet exists The enigma surrounding the island is like a barely discernible whisper in the breeze one that can be heard if you are open to listening However be forewarned not all who heed the call return to share their experiences What lies ahead is not merely a chronicle of exploration but a narrative of temptation resilience and the repercussions of excessive desire Will you be brave enough to embark on this expedition and confront the unknown that lies beyond the horizon Proceed to the next chapter if you are prepared Nevertheless remember desires always exact a price
