## **Deal Of A Lifetime:**

The Deal of a Lifetime Fredrik Backman, 2017-10-31 In this short story enhanced with beautiful illustrations the bestselling author of *A Man Called Ove*, *Beartown* and *Anxious People* delivers an insightful and poignant tale about finding out what is truly important in life. A father and a son are seeing each other for the first time in years. The father has a story to share before it's too late. He tells his son about a courageous little girl lying in a hospital bed a few miles away. She's a smart kid smart enough to know that she won't beat cancer by drawing with crayons all day, but it seems to make the adults happy so she keeps doing it. As he talks about this plucky little girl, the father also reveals more about himself: his triumphs in business, his failures as a parent, his past regrets, his hopes for the future. Now on a cold winter's night, the father has been given an unexpected chance to do something remarkable that could change the destiny of a little girl he hardly knows. But before he can make the deal of a lifetime, he must find out what his own life has actually been worth, and only his son can reveal that answer. With humor and compassion, Fredrik Backman's *The Deal of a Lifetime* reminds us that life is a fleeting gift and our legacy rests in how we share that gift with others.

**Intellectual Resistance and the Struggle for Palestine** M. Abraham, 2014-08-07 By positioning the late Edward Said's political interventions as a public intellectual on behalf of Palestinian populations living under Israeli occupation as a form of intellectual resistance, Abraham moves to consider forms of physical resistance, seeking to better understand the motivations of those who choose to turn their bodies into weapons.

**Young and Restless in the Streets of Baltimore** S. Stewart-El, 2022-08-01 This is about a lovely brother named Sean and his siblings Cee and Jada. Each bears their own story in a course of a day in the streets of Baltimore. But mainly, this story is Sean trying to move his family from Baltimore City before ending up losing one of them to the streets. It has been a dream of his to go to college before he was forced to take care of his brother and sister. Their mother died when they were young, and they were raised by their drug-dealing father who got locked up and sentenced to life in a state prison. At a young age, Sean was forced to sell the same drugs his father used to try to give his siblings a normal lifestyle while trying to stay out of the limelight of his father's past.

*The Change of a Lifetime* John C. & Martha N. Beck, 1994-05-01 This book documents the changes in Japanese employment structures, behavior patterns, and attitudes that indicate that lifetime employment was not an indestructible bastion of Japanese cultural heritage. Readable and refreshingly free of jargon.
