Dear Lynda:

Lynda Morris Lynda Morris,2012 **Dear Lynda** Jacquie Lowndes,2004-08 Children can be so cruel We ve all heard that before and probably have even said it ourselves And what child hasn t at one time or another been the victim of another child s cruelty Most get over it and there is no lasting affect But what if a child doesn t get over it What if the pain it caused is buried festering as the child grows into manhood causing him to become twisted and deranged And what if that person lives in your own neighborhood That is what Rachel Palmer faces in *The Secret of Eden Park* Rachel and her best friend Sara move with their families into what they consider to be the perfect neighborhood It is a community with friendly neighbors and well kept homes except for one house That particular house is always dark the grounds are not very well kept and it looks deserted None of the other neighbors know the person who lives there and most have never even seen him Rachel has a peculiar feeling about the house almost from the moment she sees it She feels there is something sinister about it and it starts to become an obsession with her The person who lives there is a tortured psychotic who is responsible for the disappearance of several young children during the past few years He is convinced that his mission in life is to retaliate against children who in his opinion are cruel and need to be punished Without realizing it Rachel s actions focus the psychotic s attention on her own daughter She eventually involves her friend Sara in her obsession and together they must solve the mystery of this house and its occupant before it is too late *The Endowment* Erinn Andrews,2006-03 Rachel Fredericks is a woman in deep turmoil Behind her beautiful smile she wonders if life is worth living As the wife of a powerful pastor she has always kept her struggles well hidden until now In her new search for truth and meaning Rachel begins to uncover troubling issues about her husband Jonathan With his ministry expanding at a fever pitch he is headed toward greatness Will Jonathan aid Rachel in her search for truth even if it might implicate him and threaten his pastoral career How will the truth change Rachel s relationship with her husband How will it change her view of God Journey with Rachel as she weathers the voyage from blind follower to a person of character and deep conviction in the Word of God Created to explore the inner political conflict of millions who call themselves Christians *The Endowment* offers a fresh look at spiritual growth
