Dear Mr Gorbachev:

Dear Mr. Gorbachev Lloyd S. Fischel,1990 **Dear Mr. President...** Jason Saltoun-Ebin,2013-01-27 In *Dear Mr President Reagan Gorbachev and the Correspondences that Ended the Cold War* historian Jason Saltoun Ebin sheds new light on the end of the Cold War by presenting in many cases for the first time the top secret correspondence between Ronald Reagan and Mikhail Gorbachev that started the first day Gorbachev came to power Saltoun Ebin shows through this private correspondence that the most important reason for the end of the Cold War was simply the trust that Reagan and Gorbachev built through their letters Although Reagan and Gorbachev at first found little to agree upon they started the path towards the end of the Cold War by agreeing that despite their differences they would continue to correspond From when Gorbachev took office on March 11 1985 till Reagan left the presidency in January 1989 the two most powerful leaders in the world exchanged over forty letters It was this dialogue this decision that they could individually make a difference more than anything that led to the cooling of tensions between the United States and the Soviet Union and then the end of the Cold War Trusting did not come easy for either of them The letters presented in *Dear Mr President* show once again that the pen is mightier than the sword *Public Papers of the Presidents of the United States, George Bush* United States.
