

Black Death Source Analysis

Learning Intentions

To develop our understanding of how the Black Death affected society during the Medieval Period and to develop our understanding of cause and effect during this period.

Success Criteria

The finished product will include explanations, descriptions and analysis of the included primary sources demonstrating a sound understanding of the effect of the Black Death on society during the Medieval Period.

Task

The Black Death period in Medieval Europe was not only a time of great suffering, but a time of great change. Luckily for us, a trail of sources has been left behind that can help us understand what happened, why it happened, and reactions and perspectives of those who lived through it.

In this task, you will be answering the following source analysis questions using the provided primary sources in the PowerPoint.

Aim to complete the questions in order that they are written. This will help to develop your understanding of the Black Death and will help later questions and sources make more sense.

Achievement Standards

- AS2** Explain the causes and effects of events and developments
- AS8** Analyse, select and organise information from primary and secondary sources and use it as evidence to answer inquiry questions
- AS9** Identify and explain different points of view in sources
- AS11** Develop texts, particularly descriptions and explanations, incorporating analysis
