origins In desperation he makes an unholy bargain with a powerful race of alien beings hoping to somehow regain his  
memories and the lost history of humankind What he discovers are echoes of humanity s ancient past its stunning future and

*And The Chris* James S. Cutsinger,2010-08-01 Despite the long and well known history of conflict between Christians and  
Muslims their mystical traditions especially in the Christian East and in Sufism have shared for centuries many of the same  
spiritual methods and goals The purpose of this book the first major publication of its kind is to promote precisely this more  
inward kind of ecumenical perspective These essays point to a spiritual heart in which the deeper meaning of Christian and  
Muslim beliefs and practices come alive and where spiritual pilgrims may discover beyond the level of seemingly  
contradictory forms an inner commonality with those who follow other paths      [The Christian text-book and birthday](#)
