A sunset scene with a path leading towards the sun. The sun is a bright orange circle in the center of the sky, surrounded by a hazy orange glow. The sky transitions from orange at the top to a deep blue at the bottom. In the foreground, a path of light-colored stones or gravel leads from the bottom center towards the sun. To the left, there is a silhouette of a forest of evergreen trees. To the right, there are bare, dark branches of a tree. The overall mood is peaceful and contemplative.
