Death of the Fox George Garrett, 2013-12-18 I have read *Death of the Fox* writes O B Hardison Director of The Folger Shakespeare Library in Washington D C and feel that I have probably participated at the inception of a major literary event The novel is a brilliant and unique work I know of nothing quite like it in recent American fiction It is wholly conversant with the fiber texture and grain of Elizabethan and Jacobean England In its sweep it takes us from the arrival of the Tudors in 1485 all the way to October 29 1618 when Raleigh was executed It covers the policy the religious disputes the warfare the rivalries of various political factions the magic of Queen Elizabeth and the crafty folly of James I Essex and Bacon Leicester and Sir Edward Coke Marlow and Ben Jonson and Inigo Jones Incredibly it is all these not only in broad sweep but in an infinitude of jewel like details each meticulously exact but at the same time adding up to a sort of literary mosaic creating an artistic fabric more enchanting more real than a whole portfolio of photographs
