Be Holy Brian Christopher Coulter, 2014-12-30 What does it really mean to be holy These two little words seem to echo throughout scripture 1st Peter quotes Leviticus when we read God s command You shall be holy for I am holy Again in Ephesians when we read that God chose us in Christ before the foundation of the world to be holy And in the last chapter of the last book of the Bible we read that we are to still be holy Our calling to be holy is a challenging one but living the normal alternative often leads to frustration disappointment and empty overindulgence This invitation to be holy challenges us to live our lives set apart not because God needs us to but because it is a better way for us to experience and live life Brian Christopher Coulter shows us what it means to be holy in today s world and how living into this calling helps us discover and develop our sense of identity belonging and purpose Prepare to be changed and begin living the life God meant for you

Foote Jr., P. Alex Thornburg, 2025-10-28 Dysvangelical names a theology that is distorted dysfunctional and dystopian twisting the good news of God s grace into a message of fear partisanship and exclusion In *Being Presbyterian in a Dysvangelical America* Ted V Foote Jr and P Alex Thornburg speak directly to Presbyterians who are disillusioned and confused by how Christianity is being misused in American culture So often our beliefs as faithful Christians do not line up with the shouted chants and disturbing actions taken by those claiming to represent a true vision of Christianity Twenty five years after their best selling book *Being Presbyterian in the Bible Belt* the authors return with fresh urgency to affirm the heart of Reformed theology and what it means to be truly evangelical in a

time of theological and cultural distortion With clarity compassion and a touch of humor Being Presbyterian in a Dysvangelical America equips readers to name what feels wrong rediscover what is right and live into a gospel that is still good news for all It is impossible to ignore the many loud voices who claim to speak for God with the absolute certainty and divisive rhetoric that has become the playbook for Christian nationalism To help readers counter this overwhelming narrative Foote and Thornburg provide an accessible faithful alternative rooted in the core Presbyterian convictions of grace community humility and ongoing reform This is the message to speak loudly in our time not one of fear and exclusion but a living evolving faith that proclaims the wide welcome of God s grace Ideal for individual or group study the book includes an eight session study guide that provides focus Scriptures questions for discussion and prayers
