resolution movement adopted and adapted a vast array of tools and techniques they mediated facilitated and counseled they created forums for open discussion and trained community leaders they fostered community policing and they anticipated crises and stood between demonstrators and security forces And as Marks explains something extraordinary happened The international community had expected a bloodbath but what it saw instead was a near miraculous process of negotiation and accommodation With passion and eloquence the author captures the drama the personalities and the heroism of this grassroots peace process **Illinois Education** ,1948 **The Massachusetts Teacher** ,1947
