**Forward** Thomas C. Smith,2011-09-29 This book is a collection of poems I have written throughout my life I started writing when I was in high school The early poems were for girls that I knew No copies of these were kept I started to retain copies in college My poems moved from just words to life stories personal thoughts and my God I have shared some with a few friends which for me is difficult because I tend to keep most everyone at arms length My journey has been filled with lifes up and downs and my poems reflect the joys and sorrows I experienced and some you may have experienced Most important for me is that Jesus is my constant companion who rejoices with me in the good times and carries me through the hard times Psalm 23 The Lord is my shepherd I shall not be in want NIV He makes me to lie down in green pastures he leads me beside quiet waters he restores my soul He guides me in paths of righteousness for his names sake Even though I walk through the valley of the shadow of death I will fear no evil for you are with me your rod and your staff they comfort me You prepare a table before me in the presence of my enemies You anoint my head with oil my cup overflows Surely goodness and love will follow me all the days of my life and I will dwell in the house of the Lord forever **Be My Valentine** Joyce Livingston,2003

**Heartbeats and Mindwave** Aziz Fatima,2024-09-29 This book is a reflection of my journey through the intricate tapestry of human emotions From a young age I ve been captivated by the power of words how they can heal inspire and connect us to one another The poems and stories within these pages are born from personal experiences observations and the deep emotions that bind us all together Throughout my life I ve been blessed with a loving family whose support has been the bedrock of my existence My mother father and brother have always been my pillars of strength offering unwavering encouragement and belief in my abilities Their love has been the guiding light that has led me to this moment and for that I am eternally grateful I also owe a debt of gratitude to my friends and colleagues whose inspiration and words of wisdom have pushed me to explore the depths of my creativity Their encouragement has fueled my passion for writing and has helped shape the ideas and emotions captured within this book As you turn these pages I invite you to journey with me through the myriad emotions that define our shared human experience Whether you find solace inspiration or simply a moment of reflection I hope this book resonates with you in a meaningful way Thank you for allowing me to share my heart with you
