## **Be Lifted Up:**

**If I Be Lifted Up** Samuel M. Shoemaker, 2007-01-16 These sermons represent an attempt to approach the central meaning of the Cross along several confessedly incomplete avenues of approach I think of them as a little circle of converging but incompleting radii all pointing toward and therefore in a sense defining but none of them finally touching the real heart of the meaning of the Cross Were any of us able at last to do this we should unlock the mystery of life itself Even Dr Moberly in his great book *Atonement and Personality* begins by saying Atonement is a reality much too fundamental to human consciousness to be capable of any ready explanation Our explanations at their best are still always partial explanations It is always more than our understanding of it And so it is that one does not hesitate to add his own convictions to the many words that are written and said about the meaning of the Cross of Christ from the Foreword

**Discourses and Sayings of Our Lord Jesus Christ** John Brown, 1858 Let the Legends Preach Jared E. Alcántara, 2021-04-01 Let the Legends Preach celebrates the past and current legends of black preaching through preserving the sermons that they preached at the Annual E K Bailey Expository Preaching Conference The twenty four preachers honored in this book received the Living Legend Award for Excellence in Preaching on account of ministries that impacted hundreds of thousands of people across the nation and around the world Not only does this book lift up preachers that are familiar to so many names belonging to the great cloud of witnesses in black preaching over the last fifty years but it also introduces a new generation of preachers to their powerful stories and homiletical wisdom Each chapter offers readers short biographical sketches on the life and ministry of the preachers that were honored followed by the sermon that they preached or the lecture that they delivered at the annual conference
