Akbar The Greatest Mogul:

Akbar, the Great Mogul Smith Vincent A.,1901 Akbar S. M. Burke,1989-01-01 Description This book on Akbar from the pen of a distinguished author fills a serious gap in historical literature on India Akbar was undoubtedly one of the most remarkable kings who ever lived and the present day reader s interest is often whetted by tantalizing references to his uniquely successful mode of governing a multiracial and multi religious society But if an interested person were to visit a library or bookshop looking for worthwhile modern publications on Akbar he she would find surprisingly little to browse through Akbar the Greatest Mogul based mainly on the accounts left behind by those who personally knew that Emperor well is the result of several years of research and reflection For the first time an author of international standing has presented a clear picture of Akbar s religion which hitherto had been obscured by controversy and confusion Professor Burke has demonstrated that the Emperor s religious outlook guided all his other activities and that to make an intelligent review of his policies as a ruler it is necessary first correctly to comprehend this aspect of his complex personality The lucidly written text should please the general reader and the scholar alike while the extensive notes will serve the more serious savant who may wish to delve into the subject further Perceptive sketches of Akbar s ancestors Timur Babur and Humayun in the opening part of the study add further value to it by providing an insight into the character and achievements of the founding fathers of the celebrated Mogul dynasty in India **Akbar the Great Mogul, 1542-1605** Vincent Arthur Smith,1917 *AKBAR THE GRT MOGUL 1542-1605* Vincent Arthur 1848-1920 Smith,2016-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Akbar, the Great Mogul Vincent A. Smith,2015-07-20 Excerpt from Akbar the Great Mogul 1542 1605 Twenty four years ago when I was editing the Rambles and Recollections of Sir William Sleeman and was under the influence of that authors enthusiastic comment that Akbar has always appeared to me among sovereigns what Shakespeare was among poets I recorded the opinion that the competent scholar who will undertake the exhaustive treatment of the life and reign of Akbar will be in possession of perhaps the finest great historical subject as yet unappropriated Since those words were printed in 1893 nobody has essayed to appropriate the subject The hope that some day I might be able to take it up was always present to my mind but other more urgent tasks prevented me from seriously attempting to realize my old half formed project until January 1915 when I resolved to undertake a life of Akbar on a scale rather smaller than that at first contemplated The result of my researches during two years is now submitted to the judgement of the public The long delay in coming to close quarters with the subject has proved to be of the greatest advantage both to myself and to my readers The publication of sound critical versions of Abu l Fazl s Akbar na Jahangir s authentic Memoirs Gulbadan Begam s Memoirs and certain minor works has rendered accessible in a convenient form all the principal Persian authorities for the reign About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Akbar, the Great Mogul, 1547-1608** Vincent Arthur Smith,1917 [Akbar the Great Mogul, 1542-1605 - Scholar's Choice Edition](#) Vincent Arthur Smith,2015-02-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references
