Editorial File of Various Draft Versions and Proofs of Akin to Anne L.M. Montgomery Collection (University of Guelph), Rea Wilmshurst, 1988 **The L.M. Montgomery Reader** Benjamin Lefebvre, 2014-12-18 Now available in paperback The L M Montgomery Reader assembles rediscovered primary material on one of Canada s most enduringly popular authors spanning the entirety of her high profile career and the years since her death Volume Three A Legacy in Review examines a long overlooked portion of Montgomery s critical reception reviews of her books Although Montgomery downplayed the impact that reviews had on her writing career claiming to be amused and tolerant of reviewers contradictory opinions about her work she nevertheless cared enough to keep a large percentage of them in scrapbooks as an archive of her career This volume presents more than four hundred reviews from eight countries that raise questions about and offer reflections on gender genre setting character audience and nationalism

much of which anticipated the scholarship that has thrived in the last four decades Each volume in The L M Montgomery Reader is accompanied by an extensive introduction and detailed commentary by leading Montgomery scholar Benjamin Lefebvre that traces the interplay between the author and the critic as well as between the private and the public

Montgomery *L.M. Montgomery and Canadian Culture* Elizabeth R. Epperly, Irene Gammel, University of Toronto Press, 1999-01-01 Contributors from a wide range of disciplines explore L M Montgomery's writing and its relation to Canadian nationalism including regionalism canon formation and Canadian American cultural relations Schooled with Briars L.M. Montgomery, 2025-12-16 Out of the roughly five hundred shorter works of fiction that L M Montgomery published in periodicals between 1895 and 1940 about a dozen consisted of multi chapter serials As a form of print storytelling fiction serials offered more complexity than short stories by virtue of their relatively longer word count but since they appeared in instalments they had to be structured for readers who had to wait to find out what happened next Schooled with Briars Collected Serials 1903 1913 the fourth volume in The L M Montgomery Library reprints Montgomery's six surviving fiction serials published over a ten year period Benjamin Lefebvre offers an in depth analysis of these serials and what they reveal sometimes problematically about normative gender roles including the figure of the ideal woman whiteness and otherness terminology and ableism and the ways that her characters' abilities to earn a living are often constrained by complex attitudes about gender and class He also traces fascinating parallels between this material and her novels including the iconic Anne of Green Gables This volume offers readers fresh insights into Montgomery's career as a contributor to a competitive metropolitan literary marketplace **The 100 Most Popular Young Adult Authors** Bernard A. Drew, 1997-10-15 The book focuses on individuals writing in the 90s but also includes 12 classic authors e.g. Mark Twain Louisa May Alcott J.R.R. Tolkien who are still widely read by teens It also covers some authors known primarily for adult literature e.g. Stephen King and some who write mainly for middle readers but are also popular among young adults e.g. Betsy Byars An affordable alternative to multivolume publications this book makes a great collection development tool and resource for author studies It will also help readers find other books by and about their favorite writers The Next Instalment Wendy Roy, 2019-11-28 What happens next That was the question asked of early twentieth century authors Nellie L McClung L M Montgomery and Mazo de la Roche whose stories and novels appeared serially and kept readers and publishers in a state of anticipation Each author answered through the writing and dissemination of further instalments McClung's Pearlie Watson trilogy 1908 1921 Montgomery's Anne of Green Gables books 1908 1939 and de la Roche's Jalna novels 1927 1960 were read avidly not just as sequels but as serials in popular and literary newspapers and magazines A number of the books were also adapted to stage film and television The Next Instalment argues that these three Canadian women writers all born in the same decade of the late nineteenth century were influenced by early twentieth century publication marketing and reading practices to become heavily invested in the cultural phenomenon of the continuing story A close look at their serials sequels and adaptations
