an ethnic group and not a race But immigration and the resulting population shifts of the last half century have created a political opening for reimagining the relationship between immigration and race How to do so is the question at hand In the Shadow of Race concludes by examining the recent New York and Los Angeles elections and the 2006 immigrant rallies across the country to assess the possibilities of forging a more robust alliance between immigrants and African Americans Such an alliance is needed Hattam argues to more effectively redress the persistent inequalities in American life Ebony, 2001-07 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Five Bullets** Elliot Williams, 2026-01-20 Named a Most Anticipated Book of 2026 by The New York Times and The Washington Post Read this book to understand human nature Preet Bharara An amazing story well told Anderson Cooper A masterful telling Dahlia Lithwick From CNN legal analyst Elliot Williams a revelatory account of how one man four teenagers and a struggling city collided over race vigilantism and public safety exposing the fault lines of a nation On a dirty New York subway car on December 22 1984 Bernhard Goetz shot Barry Allen Darrell Cabey Troy Canty and James Ramseur four teenagers from the Bronx at point blank range Goetz claimed they were going to mug him the teens claim that one of them had simply asked for five dollars Crime was at an all time high So was racial tension Was Goetz who was white a hero who finally fought back Or a bigot whose itchy trigger finger seriously wounded three unarmed black kids and condemned a fourth to irreversible brain damage By the time Goetz went on trial for quadruple attempted murder the Subway Vigilante saga had become a global sensation and New Yorkers across race and class were split over whether he deserved decades in prison or a medal In Five Bullets Elliot Williams vaults back to gritty 1980s Manhattan and reexamines the first major true crime story of the cable news era Drawing on archives and interviews with many main characters including Goetz Williams presents a masterful and vivid tale that also tells the origin stories of larger than life figures Al Sharpton a polarizing young local activist rocketing to national prominence Rudy Giuliani a rising star prosecutor with an important decision to make the NRA which needed a poster boy for its transition from hunting club to political juggernaut and Rupert Murdoch whose new purchase the New York Post grew his empire by keeping a scary story in the headlines A shocking account of a pivotal moment in our history Five Bullets demonstrates why in order to understand today s debates about race crime safety and the media it s imperative to reflect on what went down in the subway four decades ago As Williams s powerful narrative reveals it was not just Goetz on trial but the conscience of a nation Reports of Cases Argued and Determined in the Supreme Court of Alabama Alabama.
