Alaska Where Only The Tough Survive:

Alaska, where Only the Tough Survive Robert Lee Parish,1987 Danger Stalks the Land Larry Kaniut,1999-11-29
Includes more than forty true stories of life and death adventure in Alaska s wilderness including such topics as avalanches
animal attacks aircraft disasters and fishing hunting and kayaking accidents **Small Press Record of Books in Print**
Len Fulton,1993 *Alaska's Wildlife* ,1993 *This Life's Tempestuous Sea* Douglas Charles Toland,2013-06-20 In a weak
moment I have written a book Margaret Mitchell This book is a multilayered creation that touches on a wide array of topics
many of them drawn from personal experiences Indeed you the lucky reader will be blessed with enough material for at least
three books within one cover Why would I want to write such a multi themed book It wasnt my original intention Maybe Ive
learned an important lesson and wont do so next time Like many older folks I wanted to share what I have learned to be true
and useful and couldnt seem to stay with a single topic Ive lived long enough to confirm an important realization the
gleanings from a well lived life are at least as important as knowledge gained vicariously through reading and classroom
attendance But I think most people dont fully appreciate the value of their life lessons and end up taking most of them to the
grave I want to counter that pattern and use this book to share as many of my gleanings as I can I also recognize several
imminent dangers facing this nation and our planet and feel compelled to share these concerns Just as important I want my
wife children and grandchildren to know more about who I was and who Ive come to be I hope they will have occasions to use
some of my wisdom The Dairymen's League News ,1927 National Wool Grower ,1912 *Alaska Native Magazine*
