Melzer,Leslie W. Rabine,1992-05-21 This interdisciplinary collection of essays examines the important and paradoxical  
relation between women and the French Revolution Although the male leaders of the Revolution depended on the women s  
active militant participation they denied to women the rights they helped to establish At the same time that women were  
banned from the political sphere woman was transformed into an allegorical figure which became the very symbol of  
masculine Liberty and Equality This volume analyzes how the revolutionary process constructed a new gender system at the
