

Alcohol and Ethics:

The Myths and Facts

By James McDonough

Alcohol And Ethics

Gordon R. Preece

Alcohol And Ethics:

Ethics in the Alcohol Industry S. Robinson, A. Kenyon, 2009-07-30 A close look at the ethical and social responsibilities of the alcohol industry in the 21st Century It begins with a whistle stop tour of the historical developments of alcohol It then critiques the legislative and voluntary codes surrounding the advertising industry popular culture religious groups Government and local authorities Alcohol and Ethics James McDonough, 2005-08-02 **Sport and Alcohol** Carwyn Rh Jones, 2016 There is a clear sense in which sport has played and continues to play an important role in the normalization and legitimization of routine excessive and problem drinking sport and alcohol have become inextricably linked Alcohol companies provide funding in the form of sponsorship fans consume alcohol when watching and players celebrate bond and relax with alcohol Sport and Alcohol an ethical perspective aims to critically examine the various ways in which sport and alcohol interact In doing so the book casts an ethical eye over the following topics Society's relationship with alcohol Sponsorship and marketing of alcohol through sport and its effect on children Sport's alcohol tolerant ethos problematic drinking practices and rituals Punishment and discipline in relation to athletes drink related bad behavior Alcoholism in the context of sport and the need for a greater understanding of the condition how it develops and what can be done The status of athletes as role models Offering a much needed critical assessment of an important issue in contemporary sport and society Sport and Alcohol is essential reading for those interested in the social cultural or philosophical study of sport in general and sport and alcohol in particular **Alcohol, Addiction and Christian Ethics** Christopher C. H. Cook, 2006-05-04 Addictive disorders are characterised by a division of the will in which the addict is attracted both by a desire to continue the addictive behaviour and also by a desire to stop it Academic perspectives on this predicament usually come from clinical and scientific standpoints with the moral model rejected as outmoded But Christian theology has a long history of thinking and writing on such problems and offers insights which are helpful to scientific and ethical reflection upon the nature of addiction Chris Cook reviews Christian theological and ethical reflection upon the problems of alcohol use and misuse from biblical times until the present day Drawing particularly upon the writings of St Paul the Apostle and Augustine of Hippo a critical theological model of addiction is developed Alcohol dependence is also viewed in the broader ethical perspective of the use and misuse of alcohol within communities The Alcohol Question in the Light of Social Ethics B. Stehler, 1907 **Sport and Alcohol** Carwyn Jones, 2017-10-12 Sport and alcohol have become inextricably linked Alcohol companies provide funding fans consume alcohol when watching and players celebrate bond and relax with alcohol This critical analysis of the relationship between consumption of alcohol and participation in sport argues that sport has played and continues to play an important role in the normalisation and legitimisation of excessive drinking Using philosophical arguments rooted in ethics and virtue theory the book examines the alcohol tolerant ethos that pervades contemporary sport and the initiation of members of the sporting practice community into problematic drinking It argues that sport should be

aware of the potential for alcoholism and provide the right type of support for athletes that sports people can and should be seen as role models and that it is preferable that athletes set good examples rather than bad. Drawing on case studies of individual problem drinkers in sport it calls for a more nuanced understanding of the relationship between bad behaviour and underlying causes and for a re-evaluation of how such individuals are treated. Sport and Alcohol examines an important issue in contemporary sport and society and is illuminating reading for anybody with an interest in the social, cultural or philosophical study of sport.

Corporate Social Responsibility and Alcohol Marcus Grant, Joyce O'Connor, 2013-05-13
 Increased scrutiny on the part of the general public, media and government has warranted a re-examination of corporate responsibilities, standards of accountability, the company's role in its local and extended community and its ethical position in our society and culture. Corporate Social Responsibility and Alcohol considers the basic values, ethics, policies and practices of a company's business. Particular attention will be paid to the alcohol beverage industry and the many unique issues that are specific to this business, such as responsible marketing, promotional and advertising campaigns and strategies, the particular risks inherent in any alcoholic product, issues of abuse prevention, research and legal and ethical aspects of alcohol. This will be the seventh volume in the ICAP Series on Alcohol in Society.

The Ethics of Drink and Other Social Questions JAMES. RUNCIMAN, 2025-03-28
 The Ethics of Drink and Other Social Questions. *Joints In Our Social Armour* by James Runciman delves into the pressing social issues of late 19th century Great Britain with a particular focus on the pervasive problem of alcoholism. This powerful work examines the ethical dimensions of alcohol consumption and its widespread impact on society. Runciman, a keen observer of his time, offers a critical analysis of the temperance movement and the broader landscape of social reform. He explores the societal forces that contribute to the problem of alcoholism, dissecting its root causes and its devastating consequences. The book provides valuable insights into the social and ethical debates surrounding this critical issue, making it a significant contribution to the fields of sociology and social activism. This meticulously prepared print edition offers readers a crucial glimpse into a pivotal era of social change.
