Marie-Louise Larsson

Alcohol And Emerging Markets Patterns Problems And Response:

Alcohol And Emerging Markets Marcus Grant,2013-05-13 Divided into two parts Alcohol and Emerging Markets begins with a series of case studies that assess alcohol issues in four regions Asia Central and Eastern Europe Latin America and Sub Saharan Africa and four countries China India Mexico and Russia Issues such as past and current public policy developments prevention programs and treatment of alcohol related disorders are addressed as well as the health consequences of alcohol use and abuse In the second part the contributors consider the issues relevant to the entire geographical region covered by the book The book also includes a chapter that examines the role of the industry in emerging markets and suggests a set of guidelines that address alcohol misuse issues

Reasonable Risk Marjana Martinic,Barbara C. Leigh,2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company *Drinking Occasions* Dwight B. Heath,2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

From Science to Action? 100 Years Later - Alcohol Policies Revisited Richard Müller,Harald Klingemann,2007-05-08 Alcohol has been central to social religious and personal use throughout the history Alcohol drinking goes back almost as far as the human race does A hundred years therefore may be seen as only a flash The past century however has witnessed a fundamental change in dealing with alcohol problems Hence to give an overview of a hundred years of alcohol polices is a rather ambitious task and the contributions to this book shed only some light on the way in which alcohol policy issues have changed in this period This authoritative volume is relevant to both scientists and policy makers providing a state of the art in alcohol policy from different perspectives covering both science research treatment and prevention practice and linking these areas

Responsible Sales, Service and Marketing of Alcohol James Murphy,2015-01-31 Explains the complexities of alcohol and its sale and supply and examines the wide range of inter related associated topics connected to the wider tourism hospitality and retail industries It provides a greater awareness of the effects of alcohol and helps readers understand their obligations when selling supplying or marketing alcohol

Sex, Drugs and Young People Peter Aggleton,Andrew Ball,Purnima Mane,2013-09-13 Sexual practices and drug use among the young are examined in this book calling into question mainstream assumptions about adolescence Bringing together a range of cross cultural and cross national contributions the book reveals both similarities and important differences that mark sexuality and drug use among young in different social and cultural settings In doing so it allows the reader to build up a clearer understanding of the challenges that must be faced in public health and education if we are to develop programs and interventions that really serve the needs of young people The book will be of interest to professionals working with young people and is suitable for a wide range of multidisciplinary courses covering areas such as human sexuality sex education public health and social work
