disguise determined to undermine Kirion's power and unseat his evil pawn from the throne Accompanied also by a catlike telepathic beast Aisling becomes part of Shastro's court But even as she begins to learn the ways of court power a brutally cold winter besieges the land testing the endurance of the people of Kars who have little cheer in that darkest season As Kars and its people contend with Kirion's depredations the warring clan's raids and the devastating winter Aisling and Keelan must somehow through guile persistence and ingenuity find a way to avoid the attention of their dangerous older brother and save the people from his murderous sorcery Only if they can survive Kirion's terrible power can they deliver the dukedom into the peace and prosperity it once knew
