*The Power of Creativity (Book 2)* Bryan Collins,2017 Do you need to be a genius or possess mystical talents to master yourself and become more

creative Well no Instead you just need to know where to look for ideas and if you re a writer musician or artist wondering where to look this book will help you This book is the second in a three part series about the Power of Creativity for new writers musicians filmmakers artists Over the proceeding chapters you ll gain chosen techniques for generating ideas You ll also discover how to adopt the mindset of creative masters like Albert Einstein Henri Matisse and Steve Jobs to get better at your craft and to unlock fresh thinking In this book you will discover these creative strategies

- 1 Go Prospecting for Ideas Learn how to capture free flowing thoughts organise your thinking and come up with lots of little ideas faster using proven creative techniques from academia and the toolboxes of accomplished writers and artists
- 2 Experiment With Form and Substance When you re an outsider you re more open to experimenting with form and substance and that open mindedness will help you inject a little bit of Henri Matisse or Albert Einstein s thinking into your work
- 3 Change Your Perspective You don t need to be an expert in your chosen field or craft to look or even to come up with little or big ideas because being an outsider gives you a unique perspective
- 4 Embrace Constraints of Time and Money If you re new at what you do you probably don t have a lot of time to work alone or money for your creative projects and side gigs Not having enough time or money isn t a hinderance it s an asset
- 5 Become an Honourable Thief I don t want you to be accused of being a thief so I ll show you how to use other people s ideas without compromising your sense of ethics or getting sued as well as how to build the work of your creative heroes
- 6 Cultivate Intense Curiosity An intense sense of curiosity is an essential part of the creative process and you can do it using a simple technique from the business world
- 7 Be Open Be Purposeful Unlocking fresh thinking means being open to the world around you Later when the moment comes you ll act on your ideas because you know there s lots to be done If you want to discover how to find better ideas organise your thoughts and unlock fresh thinking [download a sample](#) or [buy now](#)
