Big Pig:

The Big Pig Nick Healy, Nicholas Healy, 2007 When Uncle Pete takes Cliff and Henry to the state fair they sample their way through the longest hot dog the fastest roller coaster and the thickest chocolate shakes while on the way to see the biggest pig

Big Pig and Little Pig David McPhail, 2003-07 Although they like different things Big Pig and Little Pig enjoy spending time together

Three Big Pigs and the Words of Life Ann Kegley, 2013-09 Each of us has the right of choice whether we know it or not Our choice however is typically predetermined by the nature of our heart Inevitably our life will reveal the consequences of our choices Three Big Pigs and the Words of Life is a combined allegory of the classic childhood story and the renowned teaching of Jesus The Parable of the Sower Each big pig's life depicts the nature of the individuals Jesus described the choice each made toward the Words of Life and the consequences of their choice Wolfe represents the surreptitious nature of the enemy of life whose only aim is to kill steal and destroy From this story the significance of the choice we make toward the Word of God is revealed

Game Theory and Society Weiying Zhang, 2017-12-14 The progress of society can only happen through interpersonal cooperation because only cooperation can bring about mutual benefit thus bringing happiness to each person This should be our collective rationality but we often see it conflicts with individual interests which leads to the so called Prisoners Dilemma and does not bring happiness to all From a game theoretical perspective this book addresses the issue of how people can cooperate better It has two objectives The first is to use common language to systematically introduce the basic methodologies and core conclusions of Game Theory including the Nash equilibrium multiple equilibriums dynamic games etc Mathematics and theoretical models are used to the minimum necessary scope too to make this book get access to ordinary readers with elementary mathematical training The second objective is to utilize these methods and conclusions to analyze various Chinese social issues and institutional arrangements with a focus on the reasons people exhibit non cooperative behaviors as well as the institutions and cultures that promote interpersonal cooperation In addition to economics specialists in sociology law history politics and management will also be attracted by this book for its insightful analysis on the issue of cooperation in these fields Also readers curious about Chinese society will benefit from this book

Animal Farm USA Stephen Kloepfer, 2020-05-08 A noble experiment in animal self rule has ended badly After the animals rebelled and overthrew the owner of a small farm in England the pigs seized all power at the farm and terrorized the other animals more harshly than their human owner ever had Snowball the brave Gloucester boar who helped plan and execute the Rebellion escapes assassination and plots a counter rebellion that will rekindle the dream of a farm run solely for the benefit of the animals and where no pig or human will rule over them Snowball has a big job ahead of him Not only must he enlist his animal comrades to join the counter rebellion he must also negotiate with human leaders to establish animal led communities in the United States and elsewhere After many years of hard won progress the citizens of Animal Farm USA elect their first pig president and history repeats itself both as tragedy and farce The citizens of

Animal Farm USA learn hard lessons about how even a mature democracy can be subverted by malign forces from within and without Animal Farm USA is in the long tradition of political satires embodying Lord Acton's timeless truth power tends to corrupt and absolute power corrupts absolutely

Managerial Economics, Second Edition Robert Waschik, Tim Fisher, David Prentice, 2010-06-10 This second edition of a successful textbook builds on the solid grounding of the previous edition and its introduction of the key pillars of game theory into managerial decision making Taking an international perspective the book reflects cutting edge developments in economics such as behavioural economics and auction theory and shows how these can be applied in the workplace
