greatest dissection of high stakes Vegas poker and the madness that surrounds it ever written TimeOut UK [Big Game of Botswana](#) Clive Spina,2024-06-13 Quoting contemporary accounts from hunters missionaries and traders from the early nineteenth century onwards this book illustrates the ecology of the country as it was emphasizing its rich large mammal fauna its decline from increasing aridity of the country its destruction by hunters by disease and most importantly destruction of its vast herds notably of wildebeest due to the developing beef export economy and the erection of veterinary cordon fences depriving the large game of migration routes in times of drought Once possessing one of the greatest animal displacements in Africa with huge migrations of antelope this book underlines the reality that the fauna of Botswana today is but a tiny remnant of what was perhaps once one of the the greatest spectacles of big game on earth It shows how the decline came about and the controls exercised by tribal chiefs illustrating the indigenous peoples attitudes and eventual protective measures both tribal and statutory Whereas the pessimistic predictions of extinction at the end of the nineteenth century have happily not come true nonetheless the continued existence of this once great fauna is increasingly threatened by climate change threatening an already fragile balance and human population increase with its increasing economic demands and changes in land use The study fills a gap in the literature of African wildlife conservation and is distinctive by drawing upon a rich historical background

**Some Big Game Hunts** Albert Hawes Cordier,1911 **In Africa: Hunting Adventures in the Big Game Country** John T. McCutcheon,2020-01-09 In Africa Hunting Adventures in the Big Game Country by John T McCutcheon is a captivating narrative that immerses readers in the lush landscapes and untamed wilderness of early 20th century Africa Through vivid descriptions and meticulous attention to detail McCutcheon chronicles his thrilling experiences as a big game hunter blending adventure with a profound exploration of the continent s rich flora and fauna Employing a candid and engaging literary style the book situates itself within the broader context of colonial exploration literature inviting readers to grapple with the complex interplay of adventure nature and the ethical dilemmas of hunting John T McCutcheon was a prominent American cartoonist and journalist whose career would have deeply shaped his worldview and writing perspective His travels and experiences not only enriched his artistic capabilities but also informed his understanding of geography and nature ultimately influencing his decision to venture into the narrative of big game hunting in Africa As a man of his time McCutcheon s reflections are imbued with the thrill of the hunt yet hint at the emerging environmental consciousness that would characterize future writings about the continent For readers seeking an enthralling blend of adventure cultural insight and historical context In Africa Hunting Adventures in the Big Game Country is an essential read McCutcheon s narrative transcends mere hunting chronicles offering a window into a bygone era of exploration and the complexities of human interaction with the natural world In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context
