,1962 *Robidoux Chronicles* Hugh M. Lewis, 2004 Presentation de l'éditeur Robidoux Chronicles treats with comprehensive documentary detail the factual history of the Robidoux lineage in North America from the first progenitor who arrived in Quebec in about 1665 through the famous six brothers who distinguished themselves as Mountain Men up until even recent times on reservations in the US Many members of the Robidoux family were intimately connected to the entire history of the North American fur trade The six brothers born in St Louis before the coming of Lewis Clark were important fur traders during the classical Rendezvous era of the North American fur trade They became key players in the organization articulation of the Overland Trail only to die soon afterward in relative obscurity upon the plains of Kansas Nebraska By the 1950 s the story of the Robidoux had been almost entirely forgotten Subsequent historians had lost all but a scant fragmentary knowledge of the true role exploits of the Robidoux their French Indian compatriots upon the frontiers of the old west Antoine Robidoux was the first to establish permanent trading settlements west of the Rockies in the Inter Montane corridor his brother Michel was one of the first expeditions to traverse the length of the Grand Canyon The eldest brother Joseph became one of the earliest established traders on the upper Missouri founded St Joseph Missouri which was later to be the primary starting point of the Overland Trail His younger brother Louis became one of the earliest ranch owners in California becoming Don of the Jurupa that encompassed the areas known today as Riverside San Bernardino San Jacinto San Timoteo An entire inter tribal French Indian ethnocultural orientation had developed upon the plains prairies mountains of the Trans Mississippi west a good fifty years before the coming of the Iron Horse the Pony Express has been carried on today in proximity to the reservations of Kansas Oklahoma South Dakota Wyoming Bigler's Chronicle of the West. The Conquest of California, Discovery of Gold, and Normon Settlement as Reflected in Henry William Bigler's Diaries. [Ed.] by Erwin G. Gudde Henry William Bigler, Erwin G. Gudde, 1962 **George Stoneman** Ben Fuller Fordney, 2010-07-27 During an 1865 raid through North Carolina Major General George Stoneman missed capturing the fleeing Jefferson Davis only by a matter of hours timing somewhat typical of Stoneman s life and career This biography provides an in depth look at the life and military career of Major General George Stoneman beginning with his participation in the 2 000 mile march of the Mormon Battalion and other western expeditions The main body of the work focuses on his Civil War service during which he directed the progress of the Union cavalry and led several pivotal raids on Confederate forces In spite of Stoneman s postwar career as military governor of Virginia and governor of California his life was marked by his inability to reach ultimate success in war or politics necessitating a discussion of his weaknesses as well as his achievements as a commander and a politician Period

Young, Jr., Otis Young, Robert Lenon, 1977-06-01 Here for the first time is a clear account in words and pictures of the methods by which gold and silver were extracted and processed in the Old West The author describes the early days of Spanish and Indian mining and the wild era inaugurated by the American prospector who rushed west to get rich quick ending with the year 1893 when repeal of the Sherman Silver Purchase Act virtually closed the mining frontier The account gives in laymen s language the techniques employed in prospecting placering lode mining and milling particularly those employed by the Spaniards Indians and Cornishmen and shows how the ever practical Americans adapted and improved them Special attention is given to the methods employed in the California and Montana gold fields Colorado and the Comstock Lode the Black Hills and Tombstone Arizona In these pages the reader also meets some of the unforgettable personalities whose lives enriched and sometimes impoverished the mining camps

**Henry William Bigler** Michael Guy Bishop, 1998 Henry Bigler was a common man who secured a place in history by accurately dating the 1848 discovery of gold at Sutter s Mill Bishop provides the details of his simple life *We the Miners* Andrea G. McDowell, 2022-06-28 The California Gold Rush is thought to exemplify the Wild West yet miners were expert organizers Driven by property interests they enacted mining codes held criminal trials and decided claim disputes But democracy and law did not extend to foreigners and Indians and miners were hesitant to yield power to the state that formed around them **Death Valley and the Amargosa** Richard E. Lingenfelter, 1988-01-11 This is the history of Death Valley where that bitter stream the Amargosa dies It embraces the whole basin of the Amargosa from the Panamints to the Spring Mountains from the Palmettos to the Avawatz And it spans a century from the earliest recollections and the oldest records to that day in 1933 when much of the valley was finally set aside as a National Monument This is the story of an illusory land of the people it attracted and of the dreams and delusions they pursued the story of the metals in its mountains and the salts in its sinks of its desiccating heat and its revitalizing springs and of all the riches of its scenery and lore the story of Indians and horse thieves lost argonauts and lost mine hunters prospectors and promoters miners and millionaires stockholders and stock sharps homesteaders and hermits writers and tourists But mostly this is the story of the illusions the illusions of a shortcut to the gold diggings that lured the forty niners of inescapable deadliness that hung in the name they left behind of lost bonanzas that grew out of the few nuggets they found of immeasurable riches spread by hopeful prospectors and calculating con men and of impenetrable mysteries concocted by the likes of Scotty These and many lesser illusions are the heart of its history *Bigler's Chronicle of the West* Erwin G. Gudde, 2023-04-28 Henry William Bigler a Mormon pioneer documented key moments of his life in pocket diaries that have become invaluable historical records His writings capture his conversion to the Church of the Latter day Saints the march of the Mormon Battalion the discovery of gold at Sutter s Mill and the final settlement of the Mormon community in Utah These diaries also detail his missionary journeys to Hawaii and his return to California to mine gold for the Church Although Bigler never intended to publish his diaries their significance

emerged after his article in the San Francisco Bulletin in 1870 drew the attention of historian Hubert Howe Bancroft Bigler subsequently wrote an extended journal for Bancroft forming the Bancroft Version which became the most complete and cohesive account of the critical years from 1846 to 1848 This version now preserved in the Bancroft Library serves as the core of his historical narrative Bigler s diaries exist in several forms each contributing to the preservation of his story The Huntington Version stored in the Huntington Library offers detailed but fragmented entries due to damage and its use as a scrapbook The Hittell Version revised and published with historian John Shertzer Hittell in 1885 highlights Bigler s meticulous recollection of the discovery of gold including his correction of Marshall s date of January 19 to January 24 1848 In 1898 Bigler copied his diaries into a leather bound Ledger Version now housed in the Church of Jesus Christ of Latter day Saints archives Additional fragments such as the Day Book and Huntington Fragment provide further glimpses into his observations These various versions underscore the literary and historical significance of Bigler s work offering detailed firsthand insights into pivotal moments in the history of California the Mormon movement and the American West This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1962 **A Golden State** Marlene Smith-Baranzini,1999 A collection of essays on mining and economic development in California from the Gold Rush through the end of the 19th century This is the second in a series of four volumes commemorating the state s sesquicentennial *The Western Pennsylvania Historical Magazine* ,1922
