Police Files: The Spokane Experience 1853-1995 M. Kienholz, 1999 **Iced** Stephen Schneider, 2009-12-09 You're lucky he didn't have an ice pick in his hands I know how this guy performs Mobster Paul Volpe speaking about a Buffalo mafia enforcer named Cicci Canada is lauded the world over as a law-abiding peaceful country a shining example to all nations Such a view also shared by most Canadians is typically naive and misinformed Throughout its history to present day and beyond Canada has been and will continue to be home to criminals and crime organizations that are brilliant at finding ways to make money a lot of money illegally Iced The Story of Organized Crime in Canada is a remarkable parallel history to the one generally accepted and taught in our schools Organized crime has had a significant impact on the shaping of this country and the lives of its people The most violent and thuggish outlaw motorcycle gangs like Hells Angels have been raised to mythic proportions The families who owned distilleries during Prohibition such as the Bronfmans built vast fortunes that today are vested in corporate holdings The mafia in Montreal created and controlled the largest heroin and cocaine smuggling empire in the world feeding the insatiable appetite of our American neighbours Today gangs are laying waste the streets of Vancouver and BC bud flows into the U.S. as the marijuana of choice Organized crime is as old as this nation's founding with pirates ravaging the east coast even as hired guns by colonial governments Since our nation's earliest times government and crime groups have found that collusion can have its mutual benefits Comprehensive informative and entertaining as you will discover in the remarkable period pieces devised by the author and the illustrations commissioned specially for this book Iced is a romp across the nation and across the centuries In these pages you will meet crime groups that are at once sordid and inept yet resourceful entrepreneurs and self-proclaimed champions of the underdog who operate in full sight of their communities and the law This is the definitive book on organized crime in Canada and a unique contribution to our understanding of Canadian history **Jester** Bijou Hunter, Rayland Jester Crest is being released from prison for a crime he most definitely committed Despite being the original Road Captain for the Born Villains Motorcycle Club he can't shake how he's returning to a changed world where he no longer knows his place Talon Sister Sass Marsden has loved Jester since she was a lovesick teenager Violence and vengeance kept them apart for seven years Now the intimidating biker is coming home with very specific plans for their second chance Finish the journey with the Born Villains Motorcycle Club as Jester and Sister Sass finally claim their happily ever after The Born Villains MC series contains sexual content harsh language graphic violence and drug use This book is only suitable for readers 18 **The Big Book of Ohio Ghost Stories** James A.
