Court Aram Goudsouzian provides a vivid and engrossing chronicle of the life and career of this brilliant champion and courageous racial pioneer Russell's leaping wide-ranging defense altered the game's texture. His teams provided models of racial integration in the 1950s and 1960s and in 1966 he became the first black coach of any major professional team sport. Yet like no athlete before him, Russell challenged the politics of sport. Instead of displaying appreciative deference, he decried racist institutions, embraced his African roots, and challenged the nonviolent tenets of the civil rights movement. This beautifully written book, sophisticated, nuanced, and insightful, reveals a singular individual who expressed the dreams of Martin Luther King Jr. while echoing the warnings of Malcolm X.

Red and Me LP Bill Russell, Alan Steinberg, 2009-05-19

Red Auerbach, one of the greatest coaches in sports history, died on October 28, 2006. Bill Russell, the star center on the Auerbach teams that won eleven championships in thirteen years, said little in public at the time. His relationship with his coach had been so deeply personal that he could not express it with a brief comment. Auerbach and Russell, one a short, brash Jew from Brooklyn, the other a tall, intense African American from Louisiana and Oakland, were far more than just coach and player. Through thirteen years of building a sports dynasty together, one that remains among the greatest of all time, their relationship evolved into a rare example of deep male friendship: confident, supportive, understanding, founded in common goals, even as their feelings remained largely unspoken. *Red and Me* is an extraordinary book, an homage to a peerless coach, an inspiring story of mutual success, and perhaps the best depiction of male friendship ever put on the page.
