life's journey to find her true self. She recounts her groundbreaking tennis career: six years as the top ranked woman in the world, twenty Wimbledon championships, thirty-nine grand slam titles, and her watershed defeat of Bobby Riggs in the famous Battle of the Sexes. She poignantly recalls the cultural backdrop of those years and the profound impact on her worldview from the women's movement, the assassinations and anti-war protests of the 1960s, the civil rights movement, and eventually the LGBTQ rights movement. She describes the myriad challenges she's hurdled: entrenched sexism, an eating disorder, near financial peril after being outed, and her path to publicly and unequivocally acknowledging her sexual identity at the age of fifty-one. She talks about how her life today remains one of indefatigable service. She offers insights and advice on leadership, business, activism, sports, politics, marriage, equality, parenting, sexuality, and love.
