**The Billionaire Date** Leigh Michaels, 2012-07-01. Finding Mr. Right. Kit Susannah Alison. Single, successful, and not searching for husbands, but love finds them anyway. When Jarrett Webster challenged Kit to organize a charity fund-raiser, a bachelor auction seemed ideal with Jarrett as the prize. Bids were sure to flood in, and it'd be blissful revenge for Kit to see Jarrett sold to the highest bidder. That would teach him to tease her about being Ms. Career Woman. Annoyingly, Jarrett was completely happy to offer an intimate date on his private island. A whole weekend in paradise with the sexiest man on earth. Try as she might to stop herself, Kit couldn't help thinking how exciting it would be if she could win the billionaire date.

**Blind Date With The Billionaire** Brynn Paulin, 2018-10-10. Date my billionaire boss. No way. Too bad it was a blind date. Bella. My dream of a successful art career consumes my life, so I didn't want to join the dating app. I don't have time for it, but somehow my best friend persuaded me. Fine. What's one night? One date. I ended up matched with YourMan01, a guy who seems only interested in hooking up. I'm not interested in forever, so YourMan01's plans sound okay with me. Besides, meeting this stranger might turn my thoughts from the only man I truly want to a man completely off-limits. My boss, Chase O'Malley. This new dating site is unique; they screen the applicants and set up the date. I have no idea what he looks like. We just have a time and place to meet. And if sex enters the picture, good. That might distract me from Chase. I need my job with O'Malley Financial to keep myself afloat while I pursue my art and daydreaming about my demanding boss is the surest way to get myself fired. Even if he were interested, Chase always has a new woman on his arm. Anything between us wouldn't last. What would happen when it ended? That would ruin everything. Chase. I've waited too long to claim her, but now Bella is mine. What's the point of being a billionaire if you can't use your wealth to sway your fortune? Membership dating sites are lucrative right now, but that's not even close to why I started one. For once, I don't care about the money. My entire objective. My new assistant, Bella Renfroe. When she finds out what I've done, she'll be furious, but that won't stop me. She's going in blind, but this date will open her eyes. Soon she'll be in my bed, in my life, and totally irrevocably mine.
