**Billy Graham** Robert O. Ferm, Caroline M. Whiting, 1988 Understanding Religious Conversion Lewis Ray Rambo, 1993-01-01 Looking at a wide variety of religions this work offers an exploration of religious conversion The phenomena is approached from a variety of disciplines including psychology sociology theology and anthropology *Billy Graham* Andrew S. Finstuen, Anne Blue Wills, Grant Wacker, 2017 Billy Graham American Pilgrim offers groundbreaking accounts of Billy Graham s shaping of religion politics and culture throughout the second half of the twentieth century His singular career provides a many paned window for viewing the history and character of our times *Billy Graham* Andrew Finstuen, Grant Wacker, Anne Blue Wills, 2017-05-24 Billy Graham stands among the most influential Christian leaders of the twentieth century Perhaps no single doctrine practice political position or preacher has united the sprawling and diverse world of evangelicalism like Billy Graham Throughout his six decade career Graham mainstreamed evangelicalism and through that tradition brought about major changes to American Christianity global Christianity church and state the Cold War race relations American manhood intellectual life and religious media and music His life and career provide a many paned window through which to view the history and character of our present and recent past Billy Graham American Pilgrim offers groundbreaking accounts of Graham s role in shaping these phenomena Graham stayed true to evangelical precepts yet journeyed to positions in religion politics and culture that stretched his tradition to its limits This book s distinguished contributors capture Graham s evolution and complexity Like most people he grew in fits and starts But Graham s growth occurred on an international stage influencing the world around him in ways large and small This book delves into this influence going beyond conventional subjects and taking a fresh and nuanced look at the complex life and legacy of one of the most important figures of the last century Journal of Biblical and Theological Studies, Issue 8.1 Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2024-12-04 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way *America's Pastor* Grant Wacker, 2014-11-07 Examines the life of Billy Graham and how he impacted American culture by successfully tapping into broader cultural trends Men in the Middle James Gilbert, 2005-07 While the 1950s have been popularly portrayed on television and in the movies and literature as a conformist and conservative age the decade is better understood as a revolutionary time for politics economy mass media and family life Magazines films newspapers and television of the day scrutinized every aspect of this changing society paying special attention to the lifestyles of the middle class men and their families who were moving to the suburbs newly springing up outside American cities Much of this attention focused on issues of masculinity both to enforce accepted ideas and to understand serious departures from the norm Neither a period of male

crisis nor yet a time of free experimentation the decade was marked by contradiction and a wide spectrum of role models This was in short the age of Tennessee Williams as well as John Wayne In Men in the Middle James Gilbert uncovers a fascinating and extensive body of literature that confronts the problems and possibilities of expressing masculinity in the 1950s Drawing on the biographies of men who explored manhood either in their writings or in their public personas Gilbert examines the stories of several of the most important figures of the day revivalist Billy Graham playwright Tennessee Williams sociologist David Riesman sex researcher Alfred Kinsey Playboy literary editor Auguste Comte Spectorsky and TV sitcom dad Ozzie Nelson and allows us to see beyond the inherited stereotypes of the time Each of these stories in Gilbert's hands adds crucial dimensions to our understanding of masculinity the 1950s No longer will this era be seen solely in terms of the conformist man in the gray flannel suit or the Marlboro Man

**Evangelicalism and Fundamentalism in the United Kingdom during the Twentieth Century** David W. Bebbington, David Ceri Jones, 2013-10-03 Historians have sometimes argued and popular discourse certainly assumes that evangelicalism and fundamentalism are identical In the twenty first century when Islamic fundamentalism is at the centre of the world's attention whether or not evangelicalism should be seen as the Christian version of fundamentalism is an important matter for public understanding The essays that make up this book analyse this central question Drawing on empirical evidence from many parts of the United Kingdom and from across the course of the twentieth century the essays show that fundamentalism certainly existed in Britain that evangelicals did sometimes show tendencies in a fundamentalist direction but that evangelicalism in Britain cannot simply be equated with fundamentalism The evangelical movement within Protestantism that arose in the wake of the eighteenth century revival exerted an immense influence on British society over the two subsequent centuries Christian fundamentalism by contrast had its origins in the United States following the publication of The Fundamentals a series of pamphlets issued to ministers between 1910 and 1915 that was funded by California oilmen While there was considerable British participation in writing the series the term fundamentalist was invented in an exclusively American context when in 1920 it was coined to describe the conservative critics of theological liberalism The fundamentalists in Britain formed only a small section of evangelical opinion that declined over time

**Educating Evangelicalism** Ian M. Randall, 2000 **The Only Hope for America** Luis Palau, Mike Umlandt, 1996 The acclaimed author of Say Yes shows why only the Gospel can bring about the social and economic reform racial harmony morality and renewed hope for which America yearns Providing powerful commentary real life experiences and practical insight including types of outreach that are most effective and why Luis Palau equips Christians to share the Gospel message in a way that will begin to transform the world **Missiology**, 1991 An international review **International Mission Bibliography** Norman E. Thomas, 2003-10-16 This massive reference is the key to finding the most important works on missiology published from 1960 2000 Representing the research of more than 30 sub editors in mission related disciplines including history theology social aspects education evangelism spirituality and political

life and includes sections on Africa the Americas Asia Europe and Oceania Complete publication details and ISBNs are given for each entry **AB Bookman's Weekly** ,1993 **Time** Briton Hadden, Henry Robinson Luce,1960 **America's Preacher and His Message** Timo Pokki,1999 Although the popular literature concerned with Billy Graham as an evangelical icon is vast there have been few serious academic considerations of his religious views In *America's Preacher and His Message* Timo Pokki provides the most extensive systematic analysis to date on Graham's theology paying particular attention to views surrounding conversion and sanctification The study not only provides a detailed analysis of Graham's thoughts on these topics but also investigates the impact of Calvinism and Arminianism on revivalism and evangelicalism in general *The Christian Century* ,1921 *Michigan Christian Advocate* ,1904 **Liberation** ,1956 **Christianity Today** ,1981 **U.S. News & World Report** ,1957
