Billy Graham Speaks:

Billy Graham Speaks Janet Lowe, 1999-06-09 God calls us to invest our time our very lives primarily in people not in projects or possessions Billy Graham Billy Graham is one of those rare individuals who has become a legend in his own lifetime Recognized as the world s most famous evangelist he has preached to more people than anyone in the history of religion Billy Graham s influence however reaches far beyond the pulpit as he has become a worldwide crusader for religion a spokesman for political and social change and a sublimely successful businessman and fundraiser The wisdom and guidance he has offered the world are captured in *Billy Graham Speaks* a unique portrait of the reverend in his own words culled from sermons newscasts articles and interviews Graham talks about everything from marriage children and faith to religious tolerance leadership and integrity to popes presidents and ordinary people He reflects on his life as an evangelist who has traveled the world and witnessed some of this century s milestone events including the advent of racial integration in the South the fall of Communism and the social and political struggles in Northern Ireland and South Africa He looks within to confront his own feelings of self doubt and discuss his undying belief in God that has been central to his life for more than three quarters of a century Here is just a sample of what you ll find inside All over the world whenever I meet people face to face I am made aware of this personal need among the famous and successful as well as the lonely and obscure I m looking forward to death I ll be very happy to get out of this body and into the world that s being prepared As long as there is a soul to be won by Christ I m under orders by the Lord to go try to win that soul to Christ If anything bothers me it is the thought that at Judgment Day I may find that I have not been as faithful as some other minister who is slugging it out day after day with few visible achievements The world listens when BILLY GRAHAM speaks The more the archeologist digs and the more the scientist discovers the greater the confirmation of the truth of the Bible Billions and billions of stars are out there and behind them all is God It s going to be quite a revealing thing at the Last Judgment when we see everyone standing naked before God I am only a Western Union messenger boy delivering a telegram from God to the door of humanity Like other Speaks books *Billy Graham Speaks* was created through the independent research of the author Janet Lowe It has not been authorized by its subject [Billy Graham Speaks on Issues of Life and Death](#) Billy Graham, 1982
