The book cover features a central illustration of a young girl with dark skin and her hair styled in several small, round braids. She is looking upwards with a gentle expression. A large, thick brown branch extends from the bottom right towards the center, with several birds perched on it. One bird is bright orange, another is yellow, and a third is a mix of orange and yellow. In the background, a large orange bird is in flight against a light blue sky with soft, white clouds. A palm tree is visible in the upper left corner. The title 'Bintou's Braids' is written in a white, serif font, with 'Bintou's' on the top line and 'Braids' on the bottom line. A yellow banner in the top right corner contains the text 'READER'S GUIDE INCLUDED' in black, uppercase letters.

What to Read When Pam Allyn,2009-04-02 Read Pam Allyn's posts on the Penguin Blog The books to read aloud to children at the important moments in their lives In *What to Read When* award winning educator Pam Allyn celebrates the power of reading aloud with children In many ways books provide the first opportunity for children to begin to reflectively engage with and understand the world around them Not only can parents entertain their child and convey the beauty of language through books they can also share their values and create lasting connections Here Allyn offers parents and caregivers essential advice on choosing appropriate titles for their children taking

into account a child's age, attention ability, gender, and interests along with techniques for reading aloud effectively. But what sets this book apart is the extraordinary annotated list of more than three hundred titles suitable for the pivotal moments in a child's life. With category themes ranging from friendship and journeys to thankfulness, separations, silliness, and spirituality, *What to Read When* is a one-of-a-kind guide to how parents can best inspire children through reading together. In addition, Pam Allyn includes an indispensable Reader's Ladder section with recommendations for children at every stage from birth to age ten. With the author's warm and engaging voice throughout, discussion questions to encourage in-depth conversations, as well as advice on helping kids make the transition to independent reading, this book will help shape thoughtful, creative, and curious children, imparting a love of reading that will last a lifetime. These Penguin Young Reader's Books are referenced in *What to Read When*.

[Beauty around the World](#) Erin Kenny, Elizabeth Gackstetter Nichols, 2017-06-22. Taking the concept of beauty seriously, this encyclopedia examines how humanity has sought and continues to seek what is beautiful in a variety of cultural contexts, giving readers an understanding of how to look at beauty both intellectually and critically. Is beauty ever more than skin deep? Arguably yes, considering that the concept of beauty and the pursuit of it has shaped cultures worldwide across every time period and has even served to change the course of history. Studying beauty practices yields insight into social status, wealth, political ideology, religious doctrine, and gender expectations, including gender nonconformity. A truly interdisciplinary text, *Beauty around the World: A Cultural Encyclopedia* presents an insightful perspective on beauty that draws from philosophy, literature, sociology, anthropology, psychology, and feminist studies, giving readers a unique view of world beauty practices. This volume offers information about beauty practices from the past to the present in alphabetical entries that address terms and topics such as beards, dreadlocks, Geisha moko tattoos, and progressive muscularity. Readers will better comprehend how beauty shapes many social interactions in profound ways worldwide and that the unspoken social agreements that shape ideals of attractiveness and desirability within any given culture can matter very much. The encyclopedia's entries challenge readers to consider the questions: What is beauty and why does it matter? A comprehensive bibliography is a valuable resource for further research.
