Antonia Young

Albania A Guide And Illustrated Journal:

Albania Peter Dawson, Andrea Dawson, 1989 *Albania* Gillian Gloyer, 2012 Albania's unspoilt mountain scenery cultural sites and beaches mean it is becoming increasingly popular with a growing number of UK travellers This affectionate guide to Albania covers the length and breadth of the country discovering remote villages and out of the way towns such as Peshkopia and Erseka Visitors will find detailed information on wildlife national parks hiking routes and beaches For those interested in the culture and history there is more on the main archaeological sites at Butrint and Byllis and Byzantine art together with biographical vignettes of individuals who have figured in the country's history 2012 marks the centenary of Albania's independence from the Ottoman Empire and there are likely to be many celebratory events across the country

A Reader's Guide to Albania Lawrence D. Orton, 1999 *Black Lambs and Grey Falcons* John B. Allcock, Antonia Young, 2000 During the nineteenth century the Balkan countries became the subject of a rather romantic fascination for the public at large This has had important consequences for the way in which the region has been viewed since then and the creation of this image has had an impact on the many aspects of West European and North American responses to the Balkans ranging from diplomatic and military involvement to the burgeoning flow of tourists This vision of the area has been created in large measure by the writing of women travellers such as those represented in this volume The achievements of these women are quite remarkable in many cases their travels were adventurous and even dangerous reaching into parts of the countryside which were remote and hardly known to outsiders Not only as travellers but also in the fields of medical and military service scholarship and education journalism and literature did these travellers contribute in very significant ways to the expansion of women's horizons and to the attempt to gain greater freedom for women in society in general
