Albert Namatjira:

Indigenous Celebrity Jennifer Adese, Robert Alexander Innes, 2021-04-09 *Indigenous Celebrity* speaks to the possibilities challenges and consequences of popular forms of recognition critically recasting the lens through which we understand Indigenous people s entanglements with celebrity It presents a wide range of essays that explore the theoretical material social cultural and political impacts of celebrity on and for Indigenous people It questions and critiques the whitestream concept of celebrity and the very juxtaposition of Indigenous and celebrity and casts a critical lens on celebrity culture s impact on Indigenous people Indigenous people who willingly engage with celebrity culture or are drawn up into it enter into a complex terrain of social relations informed by layered dimensions of colonialism racism sexism homophobia transphobia and classism Yet this reductive framing of celebrity does not account for the ways that Indigenous people s own worldviews inform Indigenous engagement with celebrity culture or rather popular social and cultural forms of recognition *Indigenous Celebrity* reorients conversations on Indigenous celebrity towards understanding how Indigenous people draw from nation specific processes of respect and recognition while at the same time navigating external assumptions and expectations This collection examines the relationship of Indigenous people to the concept of celebrity in past present and ongoing contexts identifying commonalities tensions and possibilities

Australian Art Andrew Sayers, 2001 This comprehensive survey uniquely covers both Aboriginal art and that of European Australians providing a revealing examination of the interaction between the two Painting bark art photography rock art sculpture and the decorative arts are all fully explored to present the rich texture of Australian art traditions Well known artists such as Margaret Preston Rover Thomas and Sidney Nolan are all discussed as are the natural history illustrators Aboriginal draughtsmen and pastellists whose work is only now being brought to light by new research Taking the European colonization of the continent in 1788 as his starting point Sayers highlights important issues concerning colonial art and women artists in this fascinating new story of Australian art

Albert Namatjira - Souvenir Portfolio Albert Namatjira, 1989 **65,000 Years: A Short History of Australian Art** Marcia Langton, Judith Ryan, 2024-10-15 *65 000 Years A Short History of Australian Art* stares into the dark heart of Australia s brutal colonial history and offers new insights into the first art of this country Long before Britain s invasion of Australia in 1788 First Peoples cultural and design traditions flourished for thousands of generations Their art shaped the continent as we know it today and the societies that thrived here but these continuing artistic practices and new art forms were disregarded by the settlers and not considered to be fine art until the late 1980s In this publication twenty five writers urge us to reconsider the art history that is unique to the Australian continent and to acknowledge its rise to prominence in modern times Featuring new writing by leading thinkers across generations and disciplines it celebrates Indigenous Australian art across media time and language groups Today Indigenous art and artists are at the forefront of contemporary art practice In very real and tangible ways this publication reveals the artistic brilliance of Australia s First Peoples and

stands as a testament to their resilience This book is published in association with a major exhibition at the University of Melbourne s revitalised Potter Museum of Art opening in 2025 Also titled 65 000 Years A Short History of Australian Art the exhibition curated by Professor Marcia Langton AO Ms Judith Ryan AM and Ms Shanysa McConville features over 400 artworks that celebrate the longevity and brilliance of Aboriginal and Torres Strait Islander art despite a difficult history of colonialism and scientific racism

The Story of Australia Don Watson,2021-07-02 A modern classic Don Watson s history of Australia for children of the twenty first century History told so well it gives us a better idea of who we are and what we might become The Story of Australia weaves together the many strands of our nation s past ancient and indigenous colonial and contemporary to create a fascinating history for all readers young and old In clear succinct language that both children and adults will appreciate Watson guides readers from the ancient lands of Gondwana through human settlement colonisation and waves of migration to the challenges facing our diverse nation today Each era is brought to life in a series of beautifully illustrated spreads that capture a particular event or development or give a snapshot of ordinary Australians at the time Each chapter ends with a profile of a person from the oldest Australian ever discovered Mungo Woman to pop icon Kylie Minogue The Story of Australia will be treasured by children and families for years to come Don Watson is the author of many acclaimed books for adults including Caledonia Australis Recollections of a Bleeding Heart American Journeys The Bush and Watsonia This is his first work for children

Indigenous Archives Darren Jorgensen,Ian McLean,2017 The archive is a source of power It takes control of the past deciding which voices will be heard and which won t how they will be heard and for what purposes Indigenous archivists were at work well before the European Enlightenment arrived and began its own archiving Sometimes at odds other times not these two ways of ordering the world have each learned from and engaged with the other Colonialism has been a struggle over archives and its processes as much as anything else The eighteen essays by twenty authors investigate different aspects of this struggle in Australia from traditional Indigenous archives and their developments in recent times to the deconstruction of European archives by contemporary artists as acts of cultural empowerment It also examines the use of archives developed for other reasons such as the use of rainfall records to interpret early Papunya paintings Indigenous Archives is the first overview of archival research in the production and understanding of Indigenous culture Wide ranging in its scope it reveals the lively state of research into Indigenous histories and culture in Australia

Indigenous Intellectual Property Matthew Rimmer,2015-12-18 Taking an interdisciplinary approach unmatched by any other book on this topic this thoughtful Handbook considers the international struggle to provide for proper and just protection of Indigenous intellectual property IP In light of the United Nations Declaration on the Rights of Indigenous Peoples 2007 expert contributors assess the legal and policy controversies over Indigenous knowledge in the fields of

international law copyright law trademark law patent law trade secrets law and cultural heritage The overarching discussion examines national developments in Indigenous IP in the United States Canada South Africa the European Union Australia New Zealand and Indonesia The Handbook provides a comprehensive overview of the historical origins of conflict over Indigenous knowledge and examines new challenges to Indigenous IP from emerging developments in information technology biotechnology and climate change Practitioners and scholars in the field of IP will learn a great deal from this Handbook about the issues and challenges that surround just protection of a variety of forms of IP for Indigenous communities

Aboriginal Art Donna Leslie, 2008 Donna Leslie a Post doctoral Research Fellow at The University of Melbourne sets out to demonstrate how Aboriginal art has questioned the assimilationist policies which prevailed in Australia from the 1930s to the 1970s Her rigorous and sustained argument supported by an impressive array of important visual images reveals an extensive grasp of issues relating not only to the practice and history of art but also in fields of anthropology ethnology and sociology The book is a rare presentation of aspects of the history of Aboriginal art from an Aboriginal perspective and provides fresh ways of understanding Aboriginal experience While the author acknowledges the problems faced by Aboriginal peoples particularly those associated with the former policy of assimilation her message is positive and encourages a deepening understanding of Aboriginal art culture and peoples in the spirit of reconciliation Moreover she addresses the development of Aboriginal art in the modern Australian city as well as in the more traditional environment of the land
