The speaker in Irene McKinney s poems is most often alone sitting at the side of a stream or standing at her own chosen gravesite in the Appalachian mountains and the meditations spoken out of this essential solitude are powerfully clear witty and wide ranging in content and tone The center sequence of poems in the Emily Dickinson persona explores and magnifies that great and enigmatic figure The poems are firmly grounded in concern for the ways in which the elemental powers are at work in the earth and in us on the surface of our lives and deeper in the underworld of the coalmines In McKinney s poems the human world is never seen as separate from the natural one **A**
