complex new novel must create a life for himself in the wake of incarceration Known in his new identity only as the Kid and on probation after doing time for a liaison with an underage girl he is shackled to a GPS monitoring device and forbidden to live within 2 500 feet of anywhere children might gather With nowhere else to go the Kid takes up residence under a south Florida causeway in a makeshift encampment with other convicted sex offenders Barely beyond childhood himself the Kid despite his crime is in many ways an innocent trapped by impulses and foolish choices he himself struggles to comprehend Enter the Professor a man who has built his own life on secrets and lies A university sociologist of enormous size and intellect he finds in the Kid the perfect subject for his research on homelessness and recidivism among convicted sex offenders The two men forge a tentative partnership the Kid remaining wary of the Professor s motives even as he accepts the counsel and financial assistance of the older man When the camp beneath the causeway is raided by the police and later when a hurricane all but destroys the settlement the Professor tries to help the Kid in practical matters while trying to teach his young charge new ways of looking at and understanding what he has done But when the Professor s past resurfaces and threatens to destroy his carefully constructed world the balance in the two men s relationship shifts Suddenly the Kid must reconsider everything he has come to believe and choose what course of action to take when faced with a new kind of moral decision Long one of our most acute and insightful novelists Russell Banks often examines the indistinct boundaries between our intentions and actions A mature and masterful work of contemporary fiction from one of our most accomplished storytellers *Lost Memory of Skin* unfolds in language both powerful and beautifully lyrical showing Banks at his most compelling his reckless sense of humor and intense empathy at full bore The perfect convergence of writer and subject *Lost Memory of Skin* probes the zeitgeist of a troubled society where zero tolerance has erased any hope of subtlety and compassion a society where isolating the offender has perhaps created a new kind of victim **The Blessington Method**
