Bill Bruford when In Doubt Roll:

When in Doubt, Roll! Bill Bruford, 2012-10-01 This book is a description of how one drummer Bill Bruford of Yes King Crimson Genesis and U K fame survived the lunacy that accompanies a professional musician's existence and still retained the desire to sit at the drumset and play It is a compendium of 18 of Bruford's recorded works in notated form together with scene setting and some explanation of how and why he arrived at the end product For the compulsive practisers amongst his readership he has included a few exercises that may or may not be related to the music which precedes them in the chapter If the narrative casts a somewhat jaundiced eye on the reasons drummers play the things they play the author makes no apologies for that Published by Foruli Classics dedicated to bringing the best out of print music and popular culture books back into print

The Complete Idiot's Guide to Playing Drums Michael Miller, 2003 Covers the history of drumming different drum types how to care for them and basic skills and tips for playing different types of music

The Drummer's Studio Survival Guide Mark H. Parsons, 1996 The Drummer's Studio Survival Guide is an updated and expanded version of author Mark Parson's informative 13 part In the Studio series from Modern Drummer magazine Topics include preparing one's drums for recording drum miking the use of outboard equipment interacting with producers and engineers and other information vital to any drummer entering the studio whether for the first time or as a veteran

Rocking the Classics Edward Macan, 1997 This is the first authoritative study of the music history and culture of progressive rock a genre remembered for its virtuoso guitar solos and massive stage shows Among the bands covered are Jethro Tull Genesis Yes and Pink Floyd

The Working Drummer Rick Van Horn, 1996 The Working Drummer is an updated compilation of one of Modern Drummer's longest running and most popular columns Club Scene In these columns from April of 1980 through July of 1992 author Rick Van Horn offered lessons learned in over 25 years as a club drummer Whether your gig is steady or casual at home or on the road in clubs or on the wedding circuit if you make even part of your living playing drums you'll find a wealth of useful information in this book
