## **Billy Strobe:**

**Billy Strobe** John S. Martel, 2002 Lawyer and ex con Billy Strobe fights to clear the names of the two men he respects the most One is a soft spoken lifer Billy befriended in jail The other is Billy s father the best criminal defense lawyer in Oklahoma until allegations of fraud and suicide ended his life Entangled in conspiracies Billy s dual quest for justice soon forces him to choose between loyalty and protecting a woman he s come to love [Biofeedback for the Brain](#) Paul G. Swingle, 2008 Neurofeedback is a cutting edge drug free therapeutic technique used by over a thousand licensed therapists in North America to treat a range of conditions from attention deficit and hyperactivity disorders to epilepsy stroke anxiety migraine and depression First popularized in the 1970s this naturalistic method is based on the idea that we can control our brain activity and that through training the brain can learn to modify its own electrical patterns for more efficient processing or to overcome various states of dysfunction In [Biofeedback for the Brain](#) Dr Paul G Swingle describes in clear and coherent language how these procedures work With numerous actual case examples readers follow the progress of clients from the initial brain map that shows the location and severity of the neurological abnormalities to the various stages of treatment Conditions often considered untreatable by conventional health practitioners respond positively to neurotherapeutic treatment and Swingle describes many of these remarkable recoveries Other chapters describe the use of neurotherapy for a variety of surprising purposes including performance training for elite athletes of which the most famous example is the Italian soccer team who considered the technique to be their secret weapon in attaining a World Cup victory Despite wide ranging success stories and the endorsement of the American Psychological Association many health care practitioners remain skeptical of neurofeedback and the procedures are still not well known by the public or conventional health care providers This book provides a thorough definitive and highly readable presentation of this remarkable health care alternative that offers millions of individuals a chance for healing [The San Francisco Attorney](#), 2003 [Television Series of the 1990s](#) Vincent Terrace, 2018-06-07 In the 1990s the big three networks were being challenged by upstarts FOX and the WB for viewer loyalty Alongside must see stalwarts like Frasier Friends and Seinfeld the new networks introduced pop culture touchstones like Buffy the Vampire Slayer and The X Files Such shows not only made household names of their stars but also thrived in syndication and some even graduated to the big screen In that decade shows such as ER Everybody Loves Raymond and Northern Exposure were vying for awards while programs like Beverly Hills 90210 and Home Improvement drew in millions of viewers each week Even after these shows departed the airwaves they live on in syndication and on DVDs entertaining many generations of viewers In [Television Series of the 1990s Essential Facts and Quirky Details](#) Vincent Terrace presents readers with a cornucopia of information about sixty programs from the decade For example did you know that Ally McBeal s favorite brand of ice cream is Ben and Jerry s Or that Hank Hill s shoe size is 12 Or that Carrie Bradshaw s favorite cookie is Double Stuff Oreos These are just a handful of hundreds of fun and intriguing specifics found inside this

volume Programs from all of the major networks as well as select syndicated programs and HBO are represented here This is not a book of opinions or essays about specific television programs but a treasure trove of facts associated with each show From Niles Crane's I Q score to George Constanza's high score on Frogger readers will discover a wealth of fascinating information that for the most part cannot be found elsewhere In some cases the factual data detailed herein is the only such documentation that currently exists on bygone shows of the era Television Series of the 1990s is the ideal reference for fans of this decade and anyone looking to stump even the most knowledgeable trivia expert *rogue of the railway or...should he free her or knot?* , *The Idea Factory* Pepper White,2001-10-12 This is a personal story of the educational process at one of the world's great technological universities This is a personal story of the educational process at one of the world's great technological universities Pepper White entered MIT in 1981 and received his master's degree in mechanical engineering in 1984 His account of his experiences written in diary form offers insight into graduate school life in general including the loneliness and even desperation that can result from the intense pressure to succeed and the purposes of engineering education in particular The first professor White met at MIT told him that it did not really matter what he learned there but that MIT would teach him how to think This then is the story of how one student learned how to think There have of course been changes at MIT since 1984 but its essence is still the same White has added a new preface and concluding chapter to this edition to bring the story of his continuing education up to date **Conflicts of Interest** John Martel,2002-04-19 A small town lawyer's attempt at big time He obtains a job with a prestigious San Francisco law firm but his probationary period ends in dismissal when he steps on vested interests He will have another chance though in a law suit against the U S Air Force **Lobbying in America** Ronald J.
