Get Your Book Selling on Apple Books Monica Leonelle,2023-10-19 Written for an author by an author this is an unofficial definitive guide to increasing your book sales at Apple Books It covers How to get merchandised at Apple Books as this is a slightly trickier process than other retailers Key metadata optimizations that help people find your books in their search engines Important aspects of the Apple Books app that will help readers discover your content What Apple Books wants from authors stated desires things I ve surmised And so much more **Publish. Profit. Independence. - How to Earn Extra Income and Financial Freedom by Publishing on Your Own** Dr. Robert C. Worstell,2015-02-05 Find independence and financial freedom from one of the simplest home businesses you can start from scratch or less Learn Tips and Tricks to make self publishing pay well I fell into this by accident There I was writing away only to find that I made more money publishing other people s stuff than I did with my own This journey led me into working out the details and shortcuts which made it all simple Meanwhile I started making enough income to cover all my bills Surprise surprise You get the benefits in this How publishing books help you earn recurring income from work you do just once Simple ways to have the freedom you never get from working for someone else Find peace of mind by becoming your own boss Discover the joy of only working with bestselling authors who are now working for you Literally make money while you sleep from countries you ve never visited by people you ve never met before Get Your Copy Now Get Your Book Selling on Amazon Monica Leonelle,2023-11-16 Written for an author by an author this is an unofficial definitive guide to increasing your book sales at Amazon It covers The basics of Amazon s complex publishing systems A complete breakdown of every aspect of Amazon s algorithms in unprecedented detail Sales Rank vs Popularity Rank advanced search optimization secrets and so much more Changes to Amazon s categories author pages following and the new AI policy KDP Select vs Wide marketing strategies and why it matters so much one doesn t work for the other Some Amazon ads strategies and resources you need to keep your sales stronger and more consistent on the platform Self-Publishing Your Book Roger Ellerton PhD, CMC,2014-01-16 I am the author of eight books three paperbacks and eight ebooks Overall I have been successful in getting my books published and sold However I have made mistakes and learned some valuable lessons along the way This book is far from a complete resource on how to write publish and market your books The purpose of my book is to share with you my insights and experiences based on my mistakes and lessons learned In doing so my hope is to save you time and money and make your publishing experience less onerous more enjoyable and hopefully profitable For example do you know that in many countries there is a national organization that collects fees from organizations e g schools government for the right to copy published works These fees are then passed on to the registered authors publishers Note The operating processes and eligibility requirements of these organizations vary from country to country **Lean Startup Guide** Grubb, This 4 620 word booklet The Lean Startup Guide How to Take an Idea to Success with Little to No Money is designed to help people looking to start

their own information business In this book you will learn How to use inspiration to come up with winning product ideas How to design your new business for growth How to make those ideas happen How to take the next step and get your products online How to get the all important customers How to put all you have learned together and create an information empire This book is filled with all the necessary information you need to get you from ideas to sales I have followed my own advice and have a largely successful information empire spanning across four books multiple articles and five different websites All of this information taught in this book is a proven way to make a decent amount of money This does require hard work but once you put the work in its just simple maintenance from there About The Author It has been my goal to help others succeed in the same way I have I have experience in many areas of business and try to pass on as much of my knowledge as I can to others If you like this book please also check out my other book called How To Start An Online Bookstore where I walk you step by step through starting up your own online business selling books Please visit my site RickGrubb.com for more information
